DECISION MAKING HISTORY (continued):

COUNCIL:

On December 19, 2007, Council ruled automatic referral of the following motion to the Standing Policy Committee on Infrastructure Renewal and Public Works:

Moved by Councillor Swandel,
Seconded by Councillor Steeves,

WHEREAS Winnipeg has among the lowest landfill tipping fees in the country;

AND WHEREAS higher tipping fees should cause an increase in commercial recycling thus diverting material from the landfill and thereby reducing greenhouse gasses;

AND WHEREAS increased tipping fees could be used to offset a Business tax reduction;

THEREFORE BE IT RESOLVED THAT increased tipping fees be referred to the 2008 Operating budget process for consideration.
