Communications (continued)

From the City Solicitor/Manager of Legal Services,

Submitting as instructed by Council on December 19, 2007, draft by-law to approve a Plan of Subdivision and to amend Zoning By-law No. 6400/94 for the enactment of a zoning change on land located on the north side of Leila Avenue east of the CPR right-of-way, in the Lord Selkirk - West Kildonan Community, which by-law may receive all three readings.

Advising that the plan included in the by-law differs from that which was included in the report of November 27, 2007. The following explanation is being provided as to why the plan has been changed:

a) Block 7 has been included at the request of the Winnipeg Land Titles Office as this is a residual parcel;

b) lands under DAC 19/2007 have been included in the subject plan as part of the retention pond, ownership of which will remain the City's; and

c) Public Reserve land has been added to the subject plan in order that title to it can be transferred to the City (in accordance with recommendation 3 of the Council decision of December 19, 2007).

Communications (continued)

From the City Solicitor/Manager of Legal Services,

Advising that on July 18, 2007, Council passed By-law No. 154/2007 which closed parts of Lagimodiere Boulevard, part of Ravelston Avenue West and opened parts of Almey Avenue and Ravelston Avenue West. It has been noted that By-law No. 154/2007 does not include reference to Florence Street, being a portion of Ravelston Avenue West that was not renamed under Name Change By-law 1858, and enactment of the by-law is necessary to correct that error. Submitting draft by-law which may receive all three readings.
