Our Zamboni is 1987 and needs to be upgraded due to the emmissions (carbonmonoxide & particulars in the air). Our Zamboni has been breaking down more more over the pas 3 or 4 years where we have continued to pour money into repair. The Zamboni has come to a point that repairing is no longer the answer it needs to be replaced, we are throwing good money away. Our facility has 2 ice rinks, Rink # 1 runs 8 months of the year & Rink # 2 runs 11 months of the year. I have attached a few repair invoices along with our application, we hope that you consider our application thank you
