RE: Proposed Extension - Pantages Playhouse Management Agreement

FOR SUBMISSION TO: The Standing Policy Committee on Downtown Development

ORIGINAL REPORT SIGNED BY: Acting Director, Planning Property and Development Department

REPORT DATE: February 4, 2008

RECOMMENDATION:

1. That the existing Management Agreement with the Performing Arts Consortium of Winnipeg be extended for one year to January 31st, 2009 subject to:
    a) a management fee increase of $5,000 to $115,000 per annum
    b) a 90 day cancellation clause
2. That the request for an increase to the management fee of $5,000 be referred to the 2008 – 2010 current budget process.

Report Summary

Key Issues:
The current management agreement for the operation of the Pantages Playhouse Theatre expires January 31st, 2008.

The Performing Arts Consortium of Winnipeg, Inc. (PAC) submitted formal conditional notice of their intent to terminate the management of the Pantages Theatre without an increase of their fee from $110,000 to $140,000 per year in order to provide for anticipated income shortfalls.

The City has commissioned a feasibility study of the governance of Winnipeg's Live Theatre Venues including the Pantages Theatre, the Burton Cummings Theatre and Rainbow Stage. Said study's recommendations will not be available until early 2008.

With little time to consider alternatives, it is being recommended that the Management Agreement be extended for one year at the negotiated revised fee of $115,000 subject to cancellation upon 90 days notice.

Report

REASON FOR THE REPORT:

The Standing Policy Committee on Downtown Development has jurisdiction for matters related to asset management, development control, land acquisition, land development and planning and land use matters in the area defined as Downtown.

HISTORY:

The Standing Policy Committee on Downtown Development, at its meeting held September 9th, 2005 concurred in the administrative recommendation, as amended, namely:

1. *That Recommendation No. 1, pertaining to the request for an additional appropriation, be referred to the Standing Committee on Fiscal Issues for favourable consideration at its meeting on September 13, 2005.*

The Standing Policy Committee on Downtown Development concurred in the administrative recommendations, as amended, and recommends to Council:

1. *That Recommendation No. 2, pertaining to the extension of the Management Agreement, be concurred in as follows:*

   A. *That the Management Agreement for the Pantages Theatre between The City of Winnipeg and the Performing Arts Consortium of Winnipeg Inc., be extended for two years (to January 31, 2008) and include an annual management fee of $110,000., subject to the following conditions:*
      i. *Funding is contingent upon receipt of a valid business plan; and,*
      ii. *The City Administration to have the ability to monitor the Theatre's finances over the two-year agreement; and,*
      iii. *Include a caveat that if the Theatre is not on its way to achieving sustainability by the end of 2006, the City can revisit the two-year agreement.*

DISCUSSION:

The Performing Arts Consortium of Winnipeg, Inc., (PAC) in a communication dated July 11th, 2007, attached as Schedule "A", provided conditional formal notice of termination of their management agreement, effective January 31, 2008.

> *"The Consortium is desirous of continuing to manage the Pantages Playhouse Theatre but believes that the matter of the management fee must be revised upwards."*

PAC provided Planning Property and Development, Civic Accommodations representatives, at their meeting held October 25th, 2007, with financial data, attached as Schedule "B", indicating their financial shortfalls over the past two years as well as an estimate of their anticipated income shortfall in 2008.

The Planning Property and Development Department, Civic Accommodations, in conjunction with the City's Chief Financial Officer has commissioned a feasibility study to examine the governance of Winnipeg's live theatre venues including the Pantages Playhouse Theatre, the Burton Cummings Theatre and Rainbow Stage. The final report is not expected until early 2008.

Whereas consideration and potential approval of the feasibility study's anticipated recommendations will likely not take place until after the natural termination of the current agreement with PAC, it is considered practical to extend said agreement, subject to the negotiated requested fee increase of $5,000 and a termination clause.

The request for an additional $5,000 in mill rate support will be referred to the 2008 – 2010 current budget process.

RECEIV

OFFICE OF THE DIRE

11 July 2007

Attention: Acting Director

The City of Winnipeg
Property and Development Service Department
510 Main Street
Winnipeg, Manitoba
R3B 1B9

Dear Sir:

With respect to the Pantages Playhouse Theatre, under the terms of the 2006 amendment to the agreement between the City of Winnipeg and the Performing Arts Consortium, should either party wish to terminate the current agreement, six months notice must be given. The Consortium is desirous of continuing to manage the Pantages Playhouse Theater but believes that the matter of the management fee must be revised upward. Although no discussion on future management fees has been initiated by either party to the agreement, the Consortium wishes this addressed now.

Accordingly, the Consortium gives formal notice of termination of the agreement at the next termination date, January 31, 2008. As you will understand from the above, such notice is given only to protect the Consortium from any liability for failing to give proper notice if it finds that the management fee paid by the City is insufficient to sustain the operation.

It is our hope that the issue of the management fee can be addressed expeditiously so that the termination notice can be withdrawn.

Yours truly,

Aubrey Asper
President
Performing Arts Consortium of Winnipeg, Inc.
