RE: EXTENSION OF TIME - PROPOSED SUBDIVISION AND REZONING ON LAND LOCATED AT 499 RIVER AVENUE - FILE NO. DASZ 1/04

RECOMMENDATION:

That your Community Committee recommend to the Standing Policy Committee on Property and Development that it recommend to Council that the time limit to provide for the enactment of Rezoning By-law No. 107/04 be extended to March 1, 2010.

REASON:

Council approval is required for all extension of time applications.

HISTORY:

On June 23, 2004 Council adopted Item 9 of the report of the Standing Committee on Property and Development dated June 8, 2004 which clause recommended approval of the subject subdivision and rezoning to a "C2" COMMERCIAL DISTRICT as shown on the attached Schedule "A" to allow for commercial re-development including the re-establishment of a supermarket and fuel kiosk.

Recommendation 7 contained in the said report stipulates:

> "That in the event this application is not proceeded with expeditiously and the By-law is not enacted within twenty-four (24) months after adoption of this report by Council the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council."

Recommendation 10 further stipulates the following:

> "That the zoning section of the By-law shall come into force and effect when the Plan of Subdivision has been registered in the Winnipeg Land Titles Office and the Zoning Agreement has been filed by caveat in the Winnipeg Land Titles Office against those lands provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning By-law is adopted by Council."

The rezoning By-law No. 107/04 was passed by Council on June 23, 2004. The enactment section of the By-law required that the Zoning Agreement caveat be registered in the Winnipeg Land Titles Office by June 23, 2006, failing which the By-law shall expire unless that date is extended by a resolution of City Council and that registration is completed before any such extended date.

The By-law has not been enacted and the previous extension of time will expire on June 24, 2008.

DISCUSSION:

Mr. Herb Peters, Aikins, MacAulay & Thorvaldson, 30th Floor - 360 Main Street, Winnipeg, Manitoba, R3C 4G1 acting on behalf of the registered owners is requesting a further two-year extension of time in order to complete subdivision and rezoning requirements. A condition of the subdivision and rezoning approval was that all the property owned by Canada Safeway Limited (the applicants) at this location be consolidated into two lots, as shown on Schedule "A" attached, prior to registration of the plan of subdivision in the Winnipeg Land Titles Office. Canada Safeway is now requesting an extension of time in order to facilitate its dealing with certain financial encumbrances registered against the subject lands. The encumbrances are registered against nine of the present eleven Certificates of Title registered in the name of Canada Safeway Limited at this location. In order to facilitate the registration of the plan of subdivision, the registration of these mortgages would have to be amended to cover all the property at this location. The negotiations to amend these securities will take longer to complete than the current deadline for the enactment of the rezoning by-law.

The Administration has reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable in view of the fact that the City's interests remain secured and circumstances leading to the original approval remain unchanged.
