Report Summary

Key Issues:

In 2000, in the course of preparations to install a land drainage sewer in Bertrand Street, the land shown as “Subject Property” on the attached Misc. Plan No. 11454 was found to be owned by the Canadian National Railway. When approached for a permit to allow the installation of the sewer, CN offered to sell the land to the City for the nominal sum of $1.00 if the City agreed to remove the tracks from the site. This arrangement was acceptable to the Public Works Department and the City purchased the property in 2002. The documents required to effect the dedication of the land as Bertrand Street have now been prepared and it is appropriate at this time to obtain Council approval of the opening.
