Report

REASON FOR THE REPORT:

At its meeting held on April 27, 2005, Council approved the recommendations within an Administrative Report dealing with Community Groups Occupying City-owned Facilities and By-law 89/2005, (the "By-law").

The By-law requires the Director of Planning, Property and Development Department to annually review the list of non-profit organizations contained in the By-law for the purpose of determining whether the occupiers named continue to use the corresponding properties or portions thereof. The Director of Planning, Property and Development Department has completed this review and has identified a number of issues that require an amendment to the By-law.

In accordance with the procedural rules of By-law 89/2005, this Report is being submitted to Council for approval.

HISTORY:

Properties owned and occupied by the City are exempt from municipal and school taxes pursuant to the Municipal Assessment Act (MAA). However, in the past, the MAA eliminated that exemption where the City-owned properties were occupied by a third party.

In 2000, the City requested that the Province of Manitoba amend the MAA to provide for exemptions for City-owned properties that were occupied by non-profit groups operating community centres.

In 2004, the Province of Manitoba amended the MAA to eliminate the restriction on the exemption for City-owned properties occupied by non-profit groups operating community centres. However, the amendment is only applicable where the groups and properties are identified in a By-law.

At its meeting held on April 27, 2005, Council approved a list, prepared by the Administration, of properties and occupiers for exemption.

DISCUSSION:

1. Recent Additions to By-law 89/2005

The Administration has prepared several reports, regarding additional City-owned properties and occupiers to be added to the By-law in 2005 and 2006, which are summarized as follows:

- Good Neighbours Senior Centre Inc. – 755 Henderson Hwy.
  Council Approval – May 18, 2005;

- Brooklands Pioneer Senior Citizens Club Inc. – Logan Avenue added as 143/2005
  Council Approval - July 27, 2005;

- Winnipeg Lawn Tennis Club – 761 North Drive added as 178/2005
  Council Approval – September 28, 2005;

- East Winnipeg Sports Association – Buhler Recreation Park
  Council Approval - July 27, 2005;

- Manitoba Organization of Disc Sports – Maple Grove Park
  Council Approval – June 28, 2006;

- YMCA-YWCA of Winnipeg – Memorial Park (new parking lot)
  Council Approval – June 28, 2006

When considering the Brooklands Pioneer Senior Citizens Club Inc. and the Winnipeg Lawn Tennis Club reports, Council approved formal By-law amendments. In the case of the Good Neighbours Senior Centre Inc., East Winnipeg Sports Association, Manitoba Organization of Disc Sports and YMCA-YWCA of Winnipeg occupancies, Council has not yet approved a By-law amendment. Therefore, an amendment is being requested at this time to formally include these four occupiers in the By-law.

2. Review of the Community Groups Occupying City-owned Facilities By-law

The Administration has completed a review of the List of Community Groups occupying City-owned facilities and is requesting the following amendments:

- Manitoba Soccer Association – 900 Waverley Street be deleted as they no longer occupy the subject premises;

(Note: The Planning, Property and Development Department are currently negotiating a new lease agreement with the Winnipeg Soccer Federation for the operation of the Winnipeg Soccer Complex. At such time as the lease is completed, a request to add this property in the By-law will be incorporated into the report.)

- Charleswood Historical Society Inc. Historical Building Caron House - 71 Xavier Drive be amended by changing the address to 50 Cass Street;

- Rainbow Stage (1993) Inc. Theatre Facility be amended by changing the name to Rainbow Stage (1993) Inc.

Financial Impact Statement Date: October 30, 2006

COMMENTS:

The recommendation in this report is that Council amend the table in section 2 of the Community Groups Occupying City-owned Facilities By-law 89/2005. There are no financial implications associated with this recommendation.
