Report

REASON FOR THE REPORT:

The Planning, Property and Development Department has negotiated the proposed acquisition of the "Subject Property", as shown on the attached Misc. Plan No. 12640, in accordance with the proposed purchase price, terms and conditions as specified on the attached Schedule "A".

By this report, Council approval is required for the proposed acquisition, as negotiated.

HISTORY:

In May 2005, the owner's representative offered the subject property, commonly known as 100 Kenaston Boulevard, for sale to the City at a proposed purchase price of $175,000.00.

At its meeting held on December 1, 2005, the Standing Policy Committee on Infrastructure Renewal and Public Works authorized the Director of the Planning, Property and Development Department to negotiate for the acquisition of the subject property.

Ensuing negotiations conducted with the owner's representative has produced a proposed agreement to sell the subject property to the City. The particulars of the subject property and negotiated settlement are as follows:

Location:	100 Kenaston Boulevard at Academy Road
Legal Description:	Lot 14, Plan 5120 (as shown on Misc. Plan No. 12640, attached)
Owner:	Dolores Maria Rintoul, as Executrix of Armella Gertrude Menge c/o Kevin A. MacDonald, Levene Tadman Gutkin Golub, 700 – 330 St. Mary Avenue, Winnipeg, Manitoba, R3C 3Z6
Certificate of Title No.:	2167715
Zoning:	RI-5.5A Residential District
Assessment:	Total Assmt: $113,100.00 (2003 reference year)
Site Area:	1,208.4 sq.m.± (13,007 square feet ±)
Description of Property:	The property is improved with a 1950, one storey, 126.26 m2 (1,359 square foot), 6 room residential building on a full, partially finished basement. The building is considered to be in poor condition.

DISCUSSION:

On October 3, 2006, the owner provided the Planning, Property and Development Department with a signed Schedule “A” confirming her agreement to sell the subject property to the City.

The Department considers the proposed acquisition of the subject property by the City in the amount of $150,000.00 and upon the proposed terms and conditions of purchase specified in the attached Schedule “A” to be acceptable. The proposed purchase price is supported by an appraisal prepared by the City. The associated terms and conditions of acquisition are consistent with other acquisitions of a similar nature.

By proceeding with this proposed acquisition based on the proposal as recommended herein:

- The City will be in possession of the subject property and will not have to concern itself either with potential purchasers acquiring the property for speculation purposes or with market conditions in future years which could potentially increase the acquisition cost.
- This proposed settlement will also eliminate the need for this property to be expropriated by the City in the future, together with the risk of a litigated award, plus costs applicable under The Expropriation Act.

Once purchased, the subject building will be formally evaluated by the Real Estate Division of the Department for possible placement on the City’s property management program until such time as the property is required for the proposed widening of Kenaston Boulevard, or alternatively, for demolition of the building situated thereon.

Thus, the Public Works Department and the Planning, Property and Development Department are both of the opinion that it would be in the best interests of the City to conclude this matter on the basis of the proposal as specified herein.

All costs of acquisition, including demolition, are to be charged to Capital Account No. 003-18100-180604-1833000100 PROPERTY.
