Re: Request for the approval of the Street Name "MADINA" Street

We have received a request from the Manitoba Islamic Association, Attention: Abdul Aziz, 2445 Waverley Street, Winnipeg, Manitoba, R3Y 1S3 asking that Warwick Avenue be renamed "Madina Street". Please see attached Schedule "A".

Warwick Avenue was legally registered under Plan No. 1918 but has never been physically opened. There are no buildings or structures addressed on Warwick Avenue.

We have done a sound alike search and can confirm that the name does not conflict with any others presently reserved or in existence.

Please see attached letter from the Manitoba Islamic Association, outlining the history of this name.

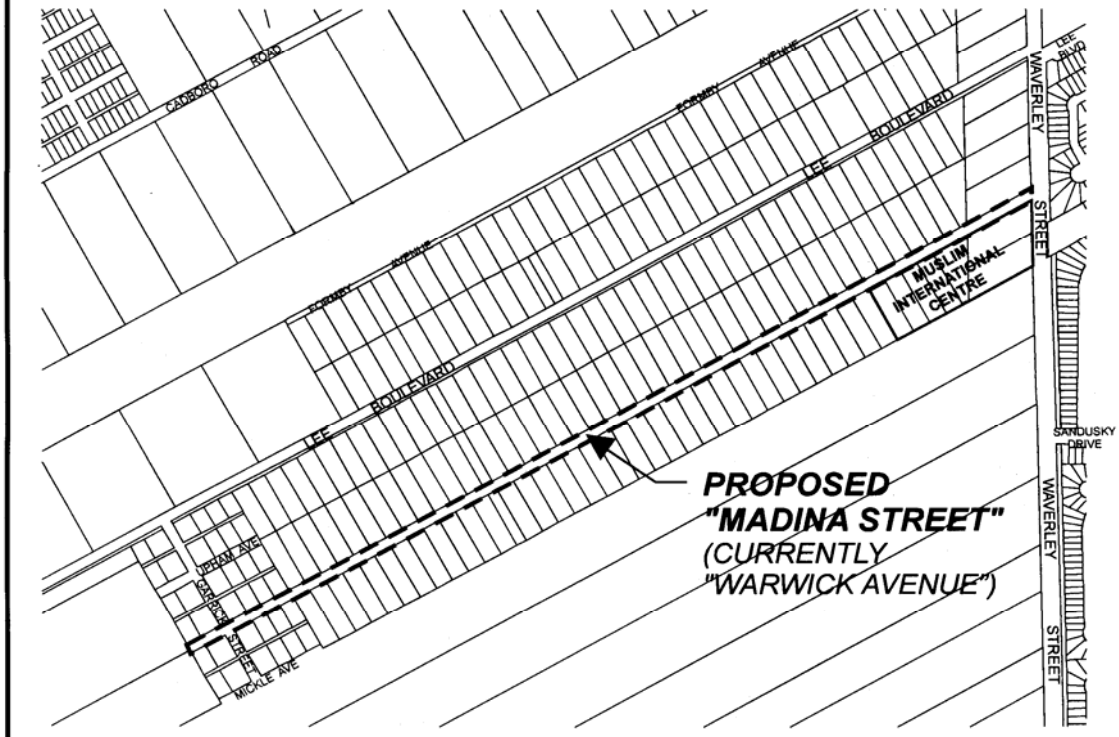

We ask that your committee review the attached request.

If your committee is in support of this request, a formal by-law will be prepared, legally changing Warwick Avenue to Madina Street.

Subject: Warrick Street Proposed Name Change

Dear Ms. Axelrod,

Please allow me to introduce the Manitoba Islamic Association (http://www.miaonline.org) which is governed by a Board of Directors elected by its membership and represents well over 8,000 Muslims; most of them resident in Winnipeg.

After many years of fundraising, we have built a new Community Centre at 2465 Waverley Street with the support of the 3 levels of government; Canada, Manitoba and the City of Winnipeg. Our land is comprised of 12 acres on two parcels of land bisected by Warwick Street.

On its behalf, I am writing to request that **Warwick Street be renamed to Madina Street**. Although Winnipeg is a best example of a multicultural society, there are not very many street names representative of our community. While I am sure that the process involves more than a simple request, please advise what the process and criteria for this action is.

In support of this request, please allow me to provide a brief background on why "Madina Street".

"Madina is a City in Saudi Arabia with 870,000 inhabitants, situated in Hijaz, in western Saudi Arabia, 160 km from the Red Sea coast, at an elevation of 625 meters.

Madina is ranked as the 2nd most holy place in Islam. This is where the first Muslims established the first Islamic state. This is where the first Mosque of Islam was built. This is the place where Prophet Muhammad (SAS) died and was buried

Madina is a city of numerous religious buildings, many commemorating central incidents in the earliest years of Islamic history.

Today all those who have the means, try to visit Medina after performing the Hajj (pilgrimage) or Umra (a sort of mini pilgrimage) in Mecca."

Further to that, one of the trustees for this project; Mr Syed Haseeb passed away tragically just last year before the MIA was able to complete this project. It was his dream to request re-naming of Warwick Street to Madina Street. As you can imagine, the members of the MIA in
