Report

REASON FOR THE REPORT:

The Planning, Property and Development Department has concluded its negotiations for an exchange of lands located between Manitoba and Pritchard Avenues, east of Shaughnessy Street. Council approval is required for the proposed exchange.

HISTORY:

The Department received a request from the owner (Gurchait Judge) of the property shown as "Proposed Subdivision Boundary" (former Florence Nightingale School site) to purchase the subject lanes identified as "Proposed Closing" on the attached copy of Misc. Plan No. 13317/1. The proposed closing is to be incorporated in DASZ 8/2008, a subdivision and rezoning application for the development of several single family dwellings on the former School site.

An alternate lane providing access and egress is to form part of the development and is identified as "Proposed Opening" on the sketch. The lane will be opened as a public right of way by DASZ 8/2008. This new alignment will restore the right of way to its original configuration prior to its closure in 1924 by By-law No. 10993 which diverted the lane in order to accommodate the construction of Florence Nightingale School.

The proposal has been considered by all affected City departments and public utilities. No civic need was identified nor are any easements required. The approval of the closings is subject to, among other things, the following conditions:

> *"The existing lane approaches from Manitoba and Pritchard Avenues for the public lanes proposed to be closed are to be removed and the curb, boulevard and sidewalk restored by the applicant, at no expense to the City, and*
>
> *The Purchaser shall, at no expense to the City, construct Portland cement concrete pavement to a width of 5.0m by 150mm in thickness in the proposed public lane, tying into the existing public lane pavement, the centerline is to be coincident with the centerline of the existing public lane pavement to the east, and all related works all as determined by and to the satisfaction of the Director of Public Works."*

On May 14, 2008, Council approved the proposed closing of part of the public lanes between Manitoba and Pritchard Avenues, East of Shaughnessy Street (DAC 6/2008) for incorporation into DASZ 8/2008.

DISCUSSION:

The Department has concluded its negotiations with the applicant for the exchange of the lands in accordance with the terms and conditions as set out in the attached Offer to Purchase dated June 8, 2008.

The Department is recommending that the proposed exchange at $1.00, be approved as follows:

- The applicant to receive the proposed closed lanes for incorporation in DASZ 8/2008.
- The applicant will provide a portion of his property for the opening of the lane between McNichol and Shaughnessy Streets.

The property the applicant will be receiving (proposed closed lanes) is approximately the same square footage as the land required for the opening. The Planning, Property and Development Department is therefore recommending that the exchange be approved at $1.00.

The Planning, Property and Development Department is supportive of the exchange of lands for the following reasons:

a) The exchange provides for efficient use of the adjoining properties.
b) The Ward Councillor has no objections to the proposed exchange.
c) The applicant will be responsible for all costs associated with Plan of Survey in order to facilitate the requirements of the Public Works Department.
d) The property will generate realty tax upon closing of the exchange.

Financial Impact Statement **Date:** June 13, 2008

Project Name:

Proposed Exchange of Lands located at Manitoba and Pritchard Avenues, East of Shaughnessy Street

The recommendations included in this report are that Council approve the proposed exchange of lands as follows:
a) The Purchaser (Gurchait Judge) to receive title to the City-owned property shown as "Proposed Closing" on Misc. Plan No. 13317/1, and
b) The City to receive the property identified as "Proposed Opening" on Misc. Plan No. 13317/1, all in accordance with the terms and conditions of the attached Offer to Purchase dated June 11, 2008, and subject to such additional terms and conditions that the Director of Planning, Property and Development and the City Solicitor/Manager of Legal Services consider necessary to protect the interests of the City.

    (1) take remedial action to bring the contamination levels within the Provincial Environmental Standards, **or,**

    The Purchaser agrees that this clause 10 shall survive the closing of this transaction of purchase and sale.
