ORIGINAL REPORT SIGNED BY: Director of Planning, Property and Development

REPORT DATE: June 30, 2008

RECOMMENDATION:

That the 2008 Capital Budget for the Planning, Property and Development Department be amended to include a budget line in the amount of $1,400,000 for the Downtown Enhancement Program (Millennium Library Park/Parkade Redevelopment). The additional budget line is to be funded by the commitment from the Government of Canada and the Province of Manitoba under the Canada – Manitoba Infrastructure Project under the Municipal Rural Infrastructure Fund (MRIF).

Report Summary

Key Issues:

The Millennium Library Park/Parkade Redevelopment project is not currently accounted for in the 2008 Capital Budget. The Budget is being funded by the City of Winnipeg, Province of Manitoba and by the Government of Canada through the Canada Manitoba Infrastructure Program. However, the project must be assigned a budget line in order to authorize the receipt and disbursement of provincial, federal and the City of Winnipeg funds.

Following consultations with the Public Works and Corporate Finance Departments, the Planning, Property and Development is recommending the addition of a new budget line for the 2008 Downtown Enhancement capital project (i.e. Millennium Library Park/Parkade Redevelopment).

Report

REASON FOR THE REPORT:

Authorization to amend the approved 2008 Capital Budget must be approved by Council.

HISTORY:

The Municipal Rural Infrastructure Fund (MRIF) contribution agreement between the City of Winnipeg and Canada-Manitoba Infrastructure Program received approval July 25, 2006 for a $2,100,000 project to redevelop the park and adjacent streetscapes.

On February 21, 2006, Council approved the 2006 Capital Budget and Five-Year Forecast that included $400,000 for the Downtown Enhancement Program.

On March 22, 2005, Council approved the 2005 Capital Budget and Five-Year Forecast that included $400,000 for the Downtown Enhancement Program.

DISCUSSION:

The total budget for Millennium Library Park/Parkade Redevelopment is $2,100,000 with $700,000 coming from each of the City of Winnipeg, the Government of Manitoba and the Government of Canada.

The City of Winnipeg's $700,000 contribution to the project is to be funded from the 2005 & 2006 Downtown Enhancement Program budgets. However, it is the City that will initially finance project expenditures with the Provincial and Federal contributions to be reimbursed to the City upon submission of appropriate documentation. Authorization for receipt and disbursements of these funds cannot take place until a budget line is created.

Amending the 2008 Capital Budget to include the contributions of the other two levels of government to the Millennium Library Park/Parkade Redevelopment project would see the following change made to the capital budget.
