The Purchaser agrees to pay the balance of the purchase price, interest and adjustments on or before the date of closing, possession and adjustments.

   (2) If the Purchaser fails to pay the balance of the purchase monies, interest and adjustments on or before the date of closing, possession and adjustments as in sub-clause (1) above provided, the City may, at its option, cancel the sale and retain the deposit as liquidated damages.

2. (1) The date of closing, possession and adjustments shall be sixty (60) days following the Date of Approval or earlier as mutually agreed to.

   (2) The Purchaser agrees to pay as an adjustment an amount equal to the total of such taxes, rates and charges which would have been levied or charged against the Lands as though the Lands had been entered on the assessment rolls of the City as privately owned and subject to taxation, including local improvement levies if any, which adjustment shall be calculated from the date of closing, possession and adjustments to and including the last day of the current taxation year.

   (3) The Purchaser shall pay interest in lawful money of Canada on all monies remaining outstanding and payable to the City as of the date of closing, possession and adjustments, which interest shall be calculated at the rate per annum equivalent to the prime lending rate in force by the City's Banker at the date of adjustments plus one (1%) percent, computed from the date of closing, possession and adjustments to and including the date all such monies and interest as aforesaid have been fully paid to the City.

3. Goods and Services Tax

(1) The Purchaser agrees to pay to the City all Goods and Services Tax applicable on the sale of the Lands or, if the Purchaser is a registrant under the Goods and Services Tax Legislation, the Purchaser shall advise the City in writing of its registration number. The Goods and Services Tax is to be paid, or the registration number provided, to the City on or before the date of closing, possession and adjustments or the date the balance of monies is paid to the City, whichever is the earlier.

Any error or discrepancy in the description or in the dimensions of the Lands as contained herein shall not entitle the Purchaser to any compensation in respect thereof nor shall it entitle the Purchaser to the cancellation of this Offer to Purchase.

6. It is agreed that no representation, warranty, collateral agreement or condition affecting this offer or the land is expressed herein. The City does not warrant the quality, condition or sufficiency of the Lands for any use or purpose. The Lands are deemed to be taken by the Purchaser in an "as is" condition and at the Purchaser's own risk and with all faults and imperfections whatsoever. The Purchaser agrees with the City that the application of "Buyer Beware" shall apply to the Offer in the strictest meaning.

(1) take remedial action to bring the contamination levels within the Provincial Environmental Standards, **or,**
