RE: EXTENSION OF TIME - Proposed rezoning on land located at 2695 Main Street - File No. DAZ 210/07

RECOMMENDATION:

That your Community Committee recommend to the Standing Policy Committee on Property and Development that it recommend to Council that the time to provide for the enactment of this necessary Rezoning By-law under File No. DAZ 210/07 be extended to June 18, 2010.

REASON:

Council approval is required for all extensions of time.

HISTORY:

On July 18, 2007, Council adopted Item 13 of the report of the Standing Policy Committee on Property and Development dated June 26, 2007 which clause recommended approval of the subject rezoning to a "MH-P" MOBILE HOME PARK DISTRICT as shown on Schedule "A" attached to allow for residential development.

Recommendation 3 contained in said report stipulates:

> "That in the event the application is not proceeded with expeditiously and the by-law is not enacted within twelve (12) months after adoption of the report by Council the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twelve (12) month period and the extension is subsequently approved by Council."

The By-law has not been enacted and the twelve (12) month time limit will expire on July 18, 2008.

DISCUSSION:

The registered owner, Mr. Brian Stepnuk, Northgate Trailer Park Ltd., 100 - 2695 Main Street, Winnipeg, Manitoba, R2V 4S9 is requesting a two-year extension of time in order to complete the necessary rezoning requirements.

The reasons for the request is to allow them more time to work with their consultants and general contractor to finalize plans and drawings including dyke location, to find qualified contracts interest in a project of this relatively small size, to investigate opportunities to address or to

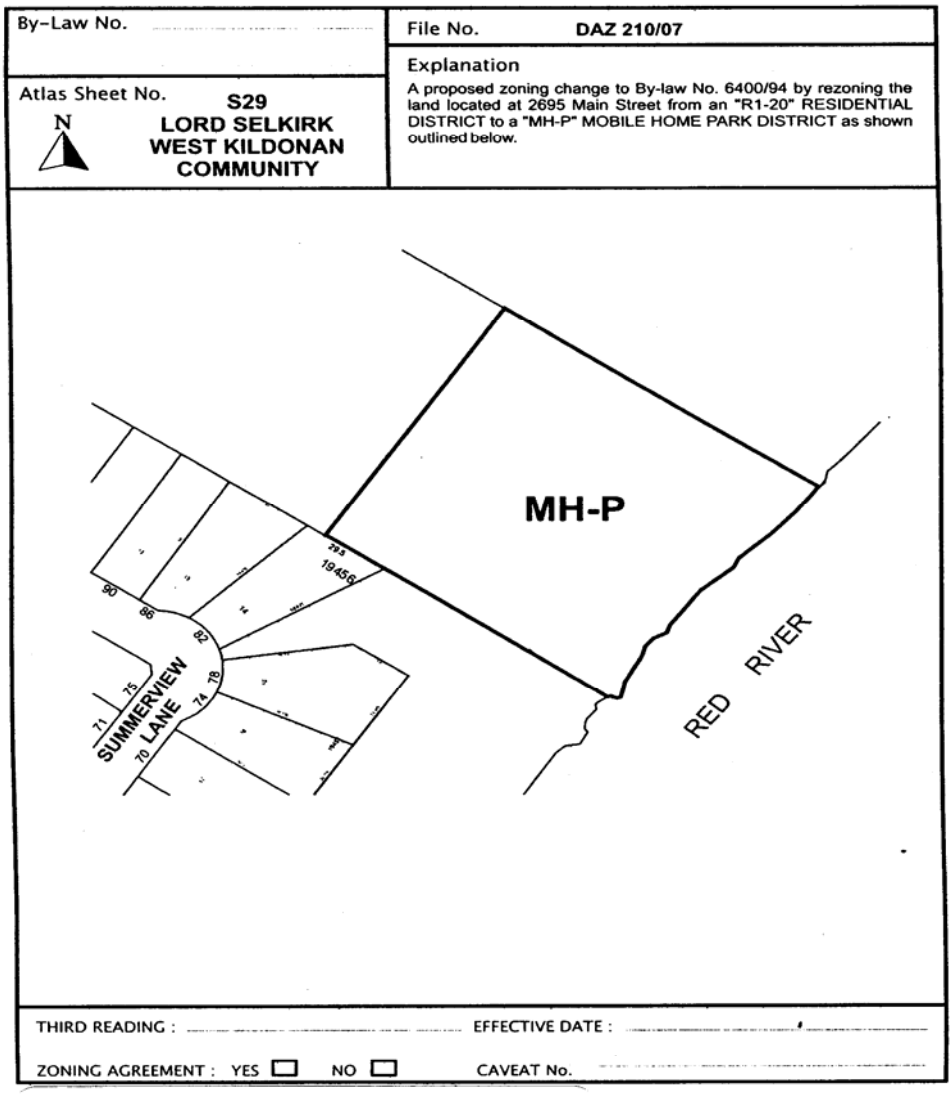

reduce the high costs of materials and construction drive by the current demand in the market place and the number of major projects consuming these limited resources in Winnipeg.

The Administration has reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.
