Council approval is required to declare the subject property surplus to the City's requirements. Approval by the Standing Policy Committee on Property and Development is required for the proposed terms and conditions of sale.

HISTORY:

The subject City-owned property shown in broken outline on Misc. Plan No. 13282/1 forms part of a former spur track. The rails have been removed and the spur track is no longer active.

Details of the subject City-owned property are as follows:

Location:	East side of Otter Street, North of 140 Otter Street
Legal Description:	Part Lot 5/6, Plan 23262
Certificate of Title:	836247
Roll Number:	Part 03071563100
Assessed Value:	Not Apportioned

The Planning, Property and Development Department has determined that there is no City requirement for the subject City-owned property.

DISCUSSION:

The Planning, Property and Development Department has received an Offer to Purchase from Saults & Pollard Real Estate Ltd. The purchaser advises that it intends to consolidate the subject property with its adjacent holding to improve access to the building on the property.

The Department supports the proposed sale of the subject City property for the following reasons:

1. The property will be placed on the tax roll at the closing of the sale.
2. The Purchaser will be responsible for all costs related to a Plan of Survey for consolidation of the subject City property with the Purchaser's adjoining lands.
3. The proposed purchase price of $37,400.00 is supported by an internal appraisal.
4. The Ward Councillor has no objections to the sale of the property.
5. The sale will eliminate the liability for the City associated with holding this property.
