Dear Maricel & Councillor Mike:

I am writing you to ask for assistance with our community's efforts to take back our park and our community from gangs and dealers. We have planned our summer events in Joe Zuken Park and as our performers have requested, we will need use of the City's Bandmoblie (the small one). As the cost is over $665 per rental, we have paired back its use to only when it is required. This unit will allow us to have a stage, sound and a good site lines for our event.

I am asking that we have the fees waived or have a grant given to assist us in its rental costs. This is the first time that the residents of Point Douglas will have a community get together like this.

Thank you and I await your reply.

Respectfully yours,

Martin Landy

SummerFest In Point Douglas!

For the first time in many years there is a new feeling in Point Douglas,

That Feeling is Hope!

Hope that lives will improve,

Hope that the children will grow up and have the opportunities that their parents didn't,

Hope that where you live is not as important as who you are,

Hope that people can share what all other Winnipeggers have,

And that is RESPECT!

Point Douglas has matured into a community that cares about itself and is not willing to wait for others to fix it. We finally said enough is enough and started to take back our community.

It was not an easy task but it's something we had to do!

Now we are continuing our growth;

Growth to include a sense of community,

Growth to reach out and help our youth ,

Growth to embrace who we are.

We will celebrate this growth through **SummerFest.**

It was through the efforts of the Residents Safety committee, that **SummerFest** was born.

This volunteer-driven event aims to bring together people who may live in the same neighbourhood, but have not ventured past their immediate surroundings.

We as a community are working together to bring a sense of normality and engagement and safety to those who live here.

We want what others take for granted; a safe place for our kids to play and a place for families to gather.

We want our children to be exposed the arts, to have the opportunity to express their creativity, to meet more of those whom they can look up to as positive role models.

SummerFest is a major step in this direction.

This summer, families will enjoy the weather; take the time to meet their neighbours, to hear kids laugh and play, and to see their park used for the purpose it was intended.

Many of our residents do not have the means or opportunity to be exposed to Winnipeg's incredible arts scene. The economic barriers will be removed, through SummerFest.

Contemporary Dancers, The Winnipeg Folk Festival, Jazz Winnipeg and Manitoba Theatre for Young People are bringing their performances to North Point Douglas.

Aboriginal Days, *Salute to Heroes* as well as *History Day* and *Kids' Day* are just a few of the themes that will be celebrated over the summer.

Healthy lifestyles, food, nutrition and activities for youth will be promoted and work-shopped.

You can help our community make this summer one to remember!
