RE: EXTENSION OF TIME - PROPOSED SUBDIVISION ON LAND LOCATED AT 1535 WELLINGTON CRESCENT - FILE NO. DAZ 235/04

RECOMMENDATION:

That your Community Committee recommend to the Standing Policy Committee on Property and Development that it recommend to Council that the time to provide for the enactment of this necessary rezoning by-law under File No. DAZ 235/04 be extended to March 15, 2011.

REASON:

Council approval is required for all extensions of time.

HISTORY:

On June 29, 2005, Council adopted Item No. 2 of the report of the Standing Policy Committee on Property and Development dated June 7, 2005 which clause recommended approval of the subject rezoning to a "C2" COMMERCIAL DISTRICT as shown on Schedule "A" attached to allow for residential and commercial development.

Recommendation 4 contained in said report stipulates:

> "That in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council."

The By-law has not been enacted and the twenty-four (24) month time limit will expire on March 15, 2009.

On January 24, 2007, Council adopted Item No. 3 of the report of the Standing Policy Committee on Property and Development dated January 9, 2007 which clause recommended approval for an extension of time for the enactment of the necessary zoning by-law be extended to March 15, 2009.

DISCUSSION:

The applicant Stechesan Katz Architect, Attention: Alec Katz, 100 - 6 Roslyn Road, Winnipeg, Manitoba, R3L 0G5 is requesting a two year extension of time in order to complete the necessary rezoning requirements. The applicant has not secured the air rights over the Assiniboine River and is also still in negotiations with the Provincial Government. They are anxious to proceed with their development but are unable until the above issue has been resolved.

The Administration has reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.
