DECISION MAKING HISTORY (continued):

Moved by Councillor Steek,
Seconded by Councillor Vandal,

WHEREAS the City Centre Community Committee, the Standing Policy Committee on Property and Development, the Executive Policy Committee and all of Council did not support CN's request to rezone the Oakpoint Subdivision lands between Academy Road and Taylor Avenue;

AND WHEREAS the acquisition of the subject property would provide a linear park that would allow furtherance of a significant pedestrian cycling loop through the South West quadrant of the city;

THEREFORE BE IT RESOLVED that the Director of Planning, Property and Development be authorized to continue internal discussion with CN to acquire said property, either by outright purchase or by land exchange.

THEREFORE BE IT FURTHER RESOLVED that should it be required that funding be provided from either the General Purposed Reserve or by additional appropriation.
