MISC. PLAN NO. 13498 / 3

AGREEMENT OF PURCHASE AND SALE
(THE "AGREEMENT")

CANADA POST CORPORATION (the "Purchaser") hereby offers to purchase from THE CITY OF WINNIPEG (the "Vendor"), the property legally described in Schedule "A" and shown outlined on Schedule "A-1", to consist of approximately 4.096 acres, in the City of Winnipeg, Province of Manitoba, as hereinafter defined (the "Property"), for a purchase price (the "Purchase Price") of One Million Twenty-four Thousand Dollars ($1,024,000.00) based on not less than 4.096 acres, adjusted on a per acre basis in accordance with paragraph 16(c).

1. **Payment of Purchase Price**

The Purchase Price shall be paid as follows:

(a) $100,000.00 by certified cheque payable to the Purchaser's solicitor upon acceptance of this Agreement as deposit to be held in trust in an interest bearing trust account pending completion or other termination of this Agreement and the deposit and interest earned thereon to be credited on account of the Purchase Price on Closing (the "Deposit"); and

(b) the balance, subject to adjustments as herein set forth, by certified cheque or bank draft payable to the Vendor or as it may direct on Closing.

2. **Allocation of the Purchase Price** – Intentionally Deleted.

3. **Building** – Intentionally Deleted.

4. **Acceptance**

This offer will be irrevocable by the Purchaser until 4:00 p.m. (Eastern Standard Time or Eastern Daylight Saving Time, whichever is applicable) on January 16, 2009, after which time, if not accepted, this offer will be null and void. Delivery by facsimile to either party to this Agreement or its respective counsel of an accepted copy of this Agreement (as it may have been amended during the course of negotiation between the parties) at or before such time will constitute conclusive evidence of such acceptance.

5. **Closing**

This Agreement shall be completed thirty (30) days following the later of:

(a) the waiver or satisfaction of the Purchaser's conditions in paragraphs 7 and 9 hereof; and

(b) the satisfaction of the conditions in paragraph 33 hereof;

or on such other date as the parties may agree to in writing (such completion being herein referred to as the "Closing" and the date of such completion being herein referred to as the "Closing Date"); provided however that if the Closing Date has not occurred by June 30, 2009, the Purchaser may at its option terminate this Agreement by notice in writing to the Vendor whereupon the Deposit and all accrued interest will be immediately returned to the Purchaser and neither party shall have any further obligation to the other under this Agreement.

6. **Title Examination**

The Purchaser will be allowed until expiry of the Conditional Period hereinafter defined to examine the title at its own expense and to satisfy itself that the proposed use will be permitted and that the title is good and free from all registered privileges, hypothecs, encumbrances or other real rights. If during that time any objection, including any deficiencies or lack of title whatsoever, is made in writing to the Vendor, which the Vendor is unable or unwilling to remove and which the Purchaser will not waive, this Agreement, notwithstanding any intermediate acts or negotiations in respect of such

objections, shall be null and void, and the deposit shall be returned to the Purchaser with interest thereon.

7. Title Documents

The Purchaser will not call for production of any deed, abstract, survey or other evidence of title except such as are in the possession and control of the Vendor.

8. Vendor Deliveries

The Vendor covenants to deliver the following documents to the Purchaser within **five (5)** calendar days after the date of acceptance of this Agreement:

(a) A currently dated survey of the Property, prepared by a licensed land surveyor, without any encroachments on the Property. The survey shall include the surveyor's certificate confirming the area of the Property and shall further indicate the location of any right-of-way or easements affecting the Property.

(b) Copies of all other contracts, agreements, warranties and guarantees related to or affecting the Property, including, but not limited to, all permits and licenses or evidence of compliance with regulatory authorities required for the operation and use of the Property.

(c) A current and complete legal description of the Property in registerable form.

(d) Any and all recent environmental or other reports, as are in the possession of the Vendor, related to or affecting the Property.

(e) Authorizations to municipal and government authorities necessary to permit the Purchaser to obtain information from their files relating to the Property.

(f) Any other information in the possession and control of the Vendor relating to the Property.

9. Purchaser's Conditions

The obligations of the Purchaser to complete the purchase of the Property is subject to the following conditions:

(a) Title to the Property being clear and free of all encumbrances on Closing, except for the conditions and reservations contained in the original grant of the said lands from the Crown and except for any encumbrance which the Purchaser is prepared to assume, in its sole discretion, or which will be discharged as a condition of Closing.

(b) The Vendor having fulfilled the terms of this Agreement to be fulfilled by him on or prior to Closing unless the Purchaser is prepared to waive any failure to fulfill such terms.

(c) The Purchaser and Purchaser's authorized representatives having access to the Property for the period of **sixty (60)** days following the acceptance of this Agreement (the "Conditional Period"), for the purpose of carrying out such environmental tests, physical tests, and other tests and inspections of the Property as the Purchaser deems necessary and being satisfied with such tests or inspections, in the Purchaser's sole discretion. If any such tests or inspections cause damage to the Property, the Property will be restored to its former condition at the Purchaser's expense if the transaction herein is not completed and the Purchaser will indemnify and hold the Vendor harmless for any damages the Vendor may suffer as a result of such tests or inspections.

If during the Conditional Period the Purchaser's environmental tests, physical tests and/or inspections of the Property disclose the existence of environmental contaminants, the Purchaser may, but shall not be required to, provide the Vendor with a written request to correct such conditions. The Vendor shall have **five (5)**

calendar days after the giving of such request to indicate whether it is prepared to remediate the Property. If the Vendor is not prepared to do so, the Purchaser may terminate this Agreement by delivery of a written notice to the Vendor. Upon delivery of such notice, this Agreement shall be null and void, and the deposit shall be returned to the Purchaser with interest but without penalty.

If the Vendor is prepared to do so, then the Vendor, at its own expense, shall forthwith after giving notice thereof to the Purchaser remediate the Property to meet applicable environmental legislation and standards, which work shall be completed within such period of time as may be agreed between the Vendor and the Purchaser. In such event, the date for closing this transaction shall be extended for the same period. If the period for remediation is not agreed to or the Vendor does not complete the remediation within the applicable period, the Purchaser may terminate this Agreement by delivery of a written notice to the Vendor. Upon delivery of such notice, this Agreement shall be null and void and the deposit shall be returned to the Purchaser with interest but without penalty. If the period for remediation is agreed to, but the Vendor does not complete the remediation within the applicable period, then the Purchaser may terminate this Agreement by delivery of a written notice to the Vendor, provided however that any such termination will be without prejudice to any other remedy of the Purchaser at law or in equity.

(d) On or before the expiry of the Conditional Period, the Purchaser being satisfied in its sole discretion, that the current zoning and development rights will permit the Purchaser's proposed use of the Property.

(e) On or before the expiry of the Conditional Period, the conditions set out in paragraph 33 have been satisfied subject only to such conditions as are acceptable to the Purchaser in its sole discretion.

10. Satisfaction of Conditions

The conditions in paragraphs 6 and 9 are for the sole benefit of the Purchaser and may be waived by the Purchaser. The Purchaser may, if it is not satisfied with any of the conditions in paragraphs 6 and 9 in its sole discretion, terminate this Agreement by notice to the Vendor on or before the date upon which the condition is to be satisfied, in which event, this Agreement shall be null and void and the Deposit returned to the Purchaser with interest but without penalty.

If notice of termination is not given by the Purchaser and any of the conditions in paragraphs 6 and 9 have not been met, fulfilled, performed or completed and waived in writing by the Purchaser to the Vendor prior to the end of the period applicable to such conditions, this Agreement shall be null and void and any monies paid by the Purchaser shall be refunded forthwith with interest but without penalty.

11. Termination of Agreement

Notwithstanding any other term or provision of this Agreement, the Purchaser has the right in its sole and unfettered discretion on written notice to the Vendor, to terminate this Agreement at any time during the Conditional Period and this Agreement shall become null and void and any monies paid by the Purchaser shall be refunded forthwith with interest and without penalty.

12. Representations and Warranties

(l) There are no management contracts, listing agreements or other agreements in force with respect to the Property, which will be in effect as of the Closing Date;

(m) To the best of the Vendor's knowledge, the Property and lands adjacent to the Property are free from all environmental contamination, including all hazardous and controlled substances, any patent or latent environmental contamination of the atmosphere, air, soil, subsoil or ground or surface water and the Vendor has not released any hazardous and controlled substances on to or adjacent to the Property at any time;

(n) The Purchaser will have no obligation to assume any employees of the Vendor in respect of the Property;

The Vendor covenants to comply, at its own expense, with any work order or orders relating to the Property issued and outstanding on closing from any governmental authority including police or fire department, sanitation or health authorities or any other federal, provincial or municipal authority having jurisdiction relating to the work orders which are the responsibility of the owner of the Property with such compliance to be completed as soon as possible and if not by closing then as soon thereafter as is reasonable.

16. Adjustments

(a) The Vendor acknowledges that the Purchaser makes payments in lieu of property taxes and that accordingly there will be no adjustment to the Purchase Price on Closing in respect of property taxes; the Purchaser shall not be required to make any payment in lieu of property taxes until the 2010 taxation year.

(b) The Vendor shall reimburse the Purchaser the amount of the cost to the Purchaser to connect the Property to the existing land drainage sewer connection serving the Property, including engineering and contingency costs as such amount is certified by an engineer licensed to practise in the Province of Manitoba.
