WPAB Work Session
January 22, 2008

Following its regular meeting on January 22, 2008 the Board met in informal session on two items:

1 2009 Work Plan

Board members present reviewed the items presented by the Executive Director and provided general agreement on the types of activities to be conducted in 2009. A detailed work plan will be submitted at the upcoming Board meeting.

2 Draft Annual Report and Recommendations

The Board conducted its third reading of the 2008 report and recommendation. Discussion was held on the tone and strength of some of the recommendations and a recommendation was made to re-write the report to more clearly reflect the content and tone of the public consultation sessions. Board members felt it important that the public input be presented in as pure a form as reasonable. Executive Director will provide an updated report at the next work session, February 19.
