Dear : Ms. Timmins:

REZONING
Location: 218 Salter Street
Lord Selkirk-West Kildonan Community Committee
File No. DAZ 227 /02

An application has been received from the owners, Anthony and Valerie Tompa, to amend By-Law No. 6400/94 by rezoning the land shown below from a " C2" Commercial District to an " R2" Residential District to allow for conversion to a two storey two family residential dwelling.

RELATED FILES: DAV227/02D

SITE DESCRIPTION:

Site Area:

The subject lot has a total square footage of 3706 sq. feet approximately.

Existing Land Use and Zoning:

There is an existing two storey structure (age unknown) on the lot and it is zoned for commercial use.

Surrounding Land Use and Zoning:

North: To the north is an MTS building zoned C2 Commercial.
South: To the immediate south is a building zoned for C2 Commercial use.
East: To the east across Salter are several C2 Commercial businesses and an R2 Residential neighbourhood.
West: To the west are residential homes zoned R2 Residential.

DEVELOPMENT DESCRIPTION:

The applicant intends to convert the structure into a residential two family facility; a two bedroom home on the main floor and a separate two bedroom dwelling on the second floor.

PLAN WINNIPEG:

The area is designated Neighbourhood Policy Area under Plan Winnipeg which allows for residential development.

ADMINISTRATIVE COMMENTS:

The Planning and Land Use Division fully supports the conversion of older commercial buildings into much needed residential accommodations. There are accompanying variances for insufficient rear , front and side yards which have been created by the new zoning but nothing in fact actually changes. In other words the existing structure is not being expanded. It is recommended that your Committee endorse the proposal which is entirely in character with the surrounding neighbourhood.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 227/02, attached hereto and dated January 3, 2003, to a " R2" Residential District.

II. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time.

III. That the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

IV. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Act.
