Report

REASON FOR THE REPORT:

All street and lane closings require the consideration of the Community Committee.

HISTORY:

The Planning, Property and Development Department has received a request from Ms. Susan Russell of McGowan Russell Group Inc., representing North Grassie Properties Inc., to close and purchase the subject street identified as “Proposed Closing” on the attached copy of Miscellaneous Plan No. 13505. The proposed closing is to be incorporated into DASZ 24/2008, a subdivision and rezoning application for the development of the adjoining property. Miramonte Cove will be rededicated and reconfigured as shown on the sketch.

On October 22, 2008, Council adopted the Report of the Standing Policy Committee on Property and Development dated October 2, 2008 approving application DASZ 24/2008, pursuant to The East Kildonan – Transcona Community Committee’s recommendation made at its meeting held on September 15, 2008.

DISCUSSION:

Administrative Approval

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections or conditions to the closing.

Easements

Manitoba Hydro and Centra Gas have identified easement requirements within the proposed closing area. Those requirements will be addressed by subdivision and rezoning application DASZ 24/2008.

Conveyance of the Street

The area of the street being created by the subdivision exceeds the area of the street being closed within the subdivision. In accordance with City policy, the closed portion of Miramonte Cove within the subdivision will be conveyed to the Developer for the nominal sum of $1.00.

Transfer of Jurisdiction Over Public Rights-of-Way

The street must be legally closed before it may be sold. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.
