Winnipeg Police Advisory Board (WPAB) Work Plan 2009

This 2009 Work Plan is submitted to the Standing Policy Committee on Protection and Community Services (SPCPCS) to meet the requirements of Section 6, By-Law No. 180/2007 which established the Winnipeg Police Advisory Board.

The objectives of the WPAB for this second year of operation are:

- To expand our consultations with the public and community organizations in other areas of the City, relative to crime prevention and neighbourhood safety.
- To improve the knowledge of Board members on police operations
- To inquire into specific areas of interest which the Board has identified in 2008

To accomplishing these objectives the Board will undertake the following:

- Hold public meetings in two City districts (2, 4, 5 or 6)
- Consult with specific interest groups including the Winnipeg Police Association, Aboriginal representatives, Manitoba Justice and other community groups.
- Research and report on as many of the following topics as resources permit:
    - Police Business Plans and Targets
    - WPS Crime Prevention Strategy
    - Call-For-Service Cue Volumes
    - Evolution of Traffic Enforcement Practices
    - Video monitoring in police facilities
    - Spousal Assault
    - Crime Stat Categories
- Receive presentations from WPS on various operational components
- Receive and address such other issues as may be assigned to the Board by SPCPCS.
- Submit an annual report to Council on the activities of the Board for 2008.
- Develop a budget and work plan for the upcoming year (2009) for the WPAB

This Work Plan was approved by the WPAB at its regular meeting on March 19, 2009.
