Item No. 13 Street Name Change - Doreen Street to St. John Way
(St. James-Brooklands Ward)
File SC-3.14 (31)

Recommending that the requested street name change from Doreen Street to St. John Way be not proceeded with.

The Land Development Branch has done a Duplicates & Sound Alikes search (attached) and find that St. John's Avenue already exists in Winnipeg as a registered street name. The similarity between the two names could lead to confusion in dispatching emergency vehicles to the right location.

Advising further that there are 5 individual addresses on Doreen Street - 521, 523,525,527 and 535 Doreen that may be confused as being in the 500 Block of St. John's Avenue if the renaming takes place.

Re: Doreen St. name change request

Dear Scott:

As per our discussions, I write in reference to our request to have Doreen Street renamed to St. John Way. St. John Ambulance is the only occupant on this small street off Portage Avenue. 2008 marks our 125th anniversary in Canada. As part of that celebration, and in an effort to provide greater clarity to our location, we ask that the City consider renaming the street. If there are any questions, please do not hesitate to call or write.
