In accordance with the Council Order of July 18, 1979, the Standing Policy Committee on Property and Development shall authorize the leasing or rental of City properties for which the Director of Planning, Property and Development has no authority. In this regard, the Department has negotiated a proposed Encroachment Agreement in favour of Bee2gether Tandem Bike Rentals and Sales for the use of the City-owned land encroaching onto Riverdale Street and identified as 'Encroachment Area' on Misc. Plan No. 13557, as attached. This Report seeks the Committee's approval of the Agreement as negotiated.

RECOMMENDATIONS

1. That the proposed terms and conditions for an Encroachment Agreement between the City and Bee2gether Tandem Bike Rentals and Sales as referenced herein be approved.

2. That the Property Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

IMPLICATIONS OF THE RECOMMENDATIONS

The Department has determined that there are no general, policy, regulatory, environmental, human resource, or financial implications to the lease of these lands as set out in the attached Schedule A.

The Public Works Department approved the subject location of the rental kiosk encroaching onto the Riverdale Street public right-of-way subject to the following conditions:

- The types of bike units that may be rented at the proposed rental kiosk shall be limited to those permitted for use on public streets. The Legislative Analyst from Manitoba Infrastructure and Transportation has advised that the three and four wheeled units having two seats side by side do not meet the definition of bicycle under the Provincial Highway Traffic Act and as such, are not permitted to be operated on public streets.

- The rental of the kiosk and all associated activities should not interfere with the use of the existing private approaches on Riverdale Street to 772 Jubilee Avenue and 766 Jubilee Avenue.

- At the end of each season, the applicant shall be responsible for any boulevard repairs required as a result of their operations to the satisfaction of the Director of Public Works.

HISTORY

Chad and Kim Celaire, owners of Bee2gether Tandem Bike Rentals and Sales submitted an encroachment application to the City's Zoning and Permits Branch for the proposed establishment of a bike kiosk within the Riverdale Street Right-of-Way as shown on the attached Schedule A.

The application was circulated to various City departments and public utilities for consideration and comments. No objections were received for the proposed use of the subject Right-of-Way.

The Corporate Finance Department, Risk Management Branch, reviewed the insurance requirements for this proposed encroachment and their comments have been incorporated into the proposed terms and conditions for a new lease.

Both parties concur that the terms and conditions of the Encroachment Agreement are fair and reasonable. As well, the proposed terms and conditions are consistent with other such Encroachment Agreements for similar uses.
