RE: EXTENSION OF TIME - PROPOSED SUBDIVISION AND REZONING ON LAND LOCATED AT 1530 GRANT AVENUE - FILE NO. DASZ 45/2006

RECOMMENDATION:

That your Community Committee recommend to the Standing Policy Committee on Property and Development that it recommend to Council that the time to provide for the enactment of the necessary rezoning by-law under File No. DASZ 45/2006 be extended to May 31, 2011.

REASON:

Council approval is required for all extensions of time.

HISTORY:

On May 16, 2007, Council adopted Item No. 6 of the report of the Standing Policy Committee on Property and Development dated May 1, 2007 which clause recommended approval of the subject rezoning to an "RM-3" RESIDENTIAL MULTI-FAMILY DISTRICT as shown on Schedule "A" attached.

Recommendation 5 contained in said report stipulates:

> "That in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council."

The applicant has not provided the necessary documentation to allow for the preparation of the rezoning By-law in order for this application to proceed expeditiously. Therefore, the twenty-four (24) month time limit for the application to proceed is scheduled to expire on May 16, 2009.

DISCUSSION:

The registered owner of the subject property and applicant, Karma Development Corp. (Mr. Myles Kraut & Mr. Mark Kipnes) are requesting a two year extension of time in order to complete the necessary application requirements. The applicant has indicated that the subject property is in the process of being sold and the approval of this extension of time is a condition of sale. The applicant has also indicated that should the sale of lands not proceed, Karma Development Corp. will fulfill their obligations to proceed with the application expeditiously.

The Administration has reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.
