HISTORY

On July 18, 2007, Council adopted Item No. 11 of the report of the Standing Policy Committee on Property and Development dated June 26, 2007 which clause recommended approval of the subject rezoning to an "RM-4" MULTIPLE-FAMILY DISTRICT, now known as “”RMF-M” RESIDENTIAL MULTI-FAMILY DISTRICT under Zoning By-law 200/2006 as shown on Schedule "A" attached to allow for the development of a multiple family dwelling site (seniors housing and assisted living complex).

Recommendation 3 contained in said report stipulates:

> "That in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council."

Item 5 further stipulates the following:

> "That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat against the subject land at the Winnipeg Land Titles Ofice, provided that the said effectie date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council."

The rezoning By-law No.139/2007 was passed by Council on July 18, 2007. The enactment section of the By-law required that the Zoning Agreement caveat be registered in the Winnipeg Land Titles Office by July 18, 2009 failing which the By-law shall expire unless that date is extended by a resolution of the City Council and that registration is completed before any such extended date. This By-law has not been enacted and the twenty-four (24) month time limit is scheduled to expire on July 18, 2009.

The registered owner and now applicant, Fraternal Order of Eagles Aeries 23 (FOE), Attention: Frank Reichardt, 129 Dagmar Street, Winnipeg, Manitoba, R3A 1Z3 is requesting a one year extension of time in order to complete the necessary rezoning requirements. See attached Appendix “A”. The applicant has indicated that the project has been delayed due to insufficient design scheme and business arrangements handled by their former developer. As a result they expect their new development plan will be implemented in early June 2009. This plan will be managed by FOE who will seek marketing and sales over the ensuing 8 to 10 months with planned construction in late winter or early spring 2010.

The Winnipeg Public Service has reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.

Re: Request for extension of rezoning approval
File DAZ 211/2007 June 9th 2007
455 Edison Avenue

Dear Madam

Further to our telephone conversation of May 5th 2009 regarding the above referenced property, we provide the following explanation and support for the requested extension. The required application fee $474.00 is enclosed.

The Fraternal Order of Eagles Aeries 23 (FOE) is the owner of the referenced site. This land parcel was purchased and rezoned to support the development of affordable seniors housing in North Kildonan. The initial plan was for a 130 unit Life Lease Independent Living and Assisted Living blended development, to be constructed under a turn-key through a private developer, Westcan Developments Inc.

Following numerous delays and significant expenditures for design and site preparation work FOE determined that this design scheme and business arrangements were not feasible and terminated any further involvement with the developer. Since that time FOE has been winding down business arrangements with Westcan and working on a scaled down version of the planned development. Arbitration hearings on final settlement with the developer will be completed by May 31st and the revamped design scheme and development plan will be implemented in early June. This plan will be managed by FOE and will see marketing and sales over the ensuing 8 to 10 months with planned construction in late winter or early spring 2010. FOE is confident that with the introduction of these new measures that our goal to achieve a viable age appropriate seniors development in North Kildonan will be realized.

With this in mind FOE respectfully requests a one year extension to the rezoning agreement to enable the revised development plan to proceed.

Sincerely
Frank Reichardt, Trustee

F Reichardt
