IMPLICATIONS OF THE RECOMMENDATIONS

None.

HISTORY

All Seniors Care Living Centres Ltd. constructed the Sturgeon Creek II Retirement Residence at #707 Setter Street in 2007. In August of 2008 they expressed an interest in constructing sidewalks within the abutting right-of-ways when they made application to Underground Structures.

Subsequently, All Seniors Care Living Centres Ltd. of #707 Setter Street, are requesting approval in principle to enter into an Agreement for Servicing, pursuant to Section 211 of the City of Winnipeg Charter, to construct sidewalk improvements within the Hallonquist Drive and Setter Street right-of-ways as shown on Schedule "A"; and that the Chief Administrative Officer be authorized to finalize and approve the terms and conditions of the agreement. Council approval is required to enter into such agreements and to delegate authority to the Chief Administrative Officer.

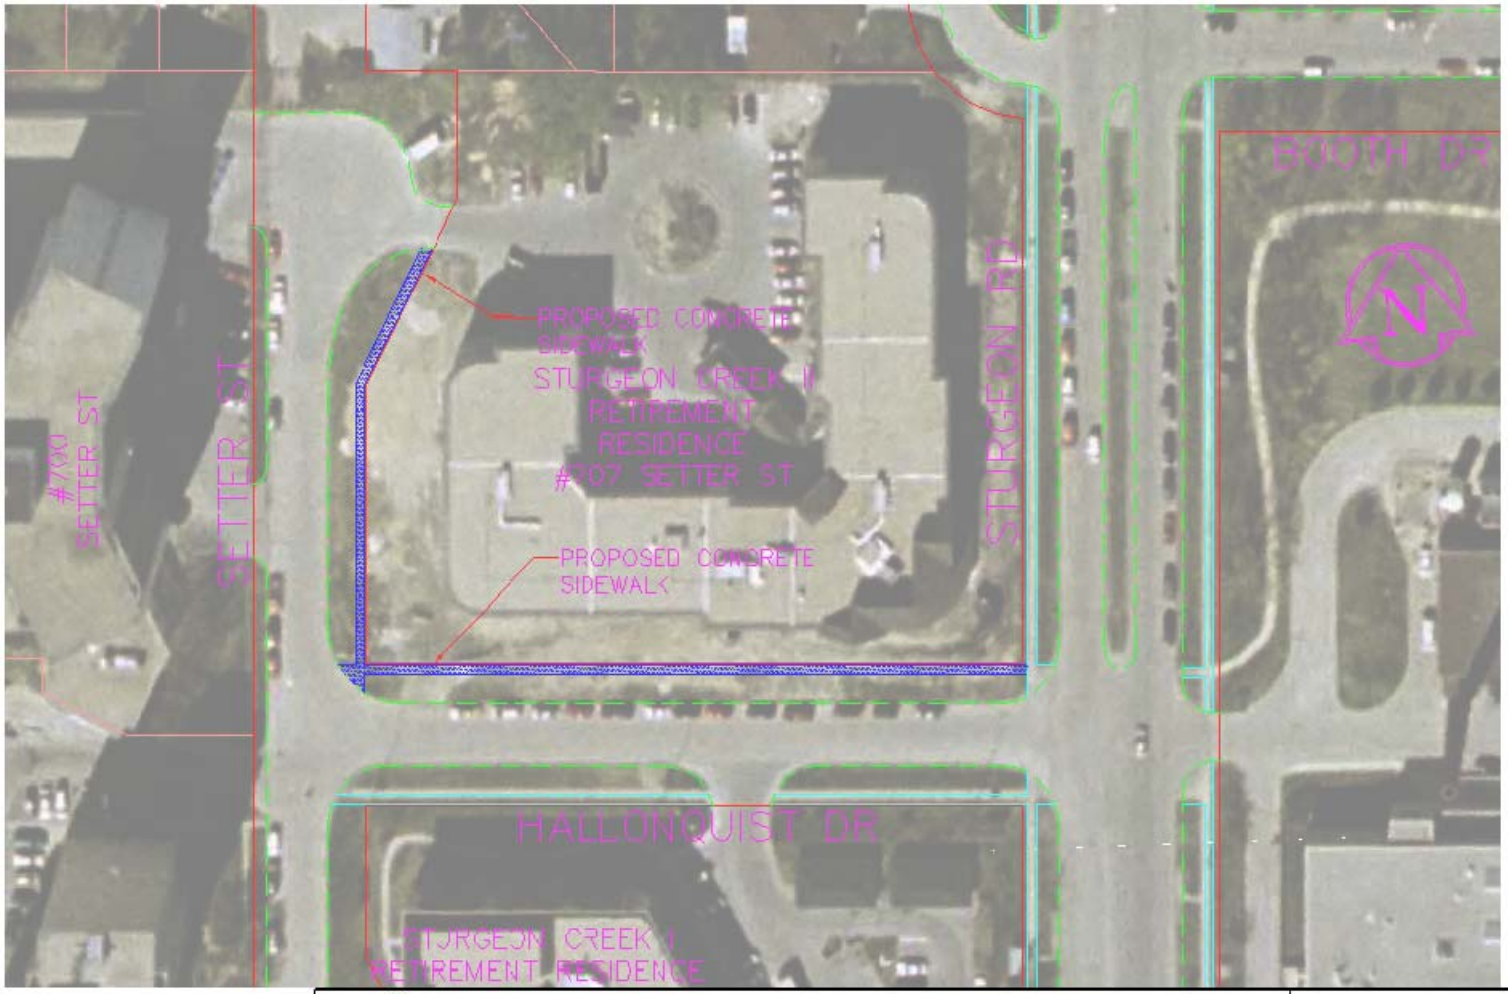

All Seniors Living Centres Ltd. wish to provide the residents of the Sturgeon Creek II Retirement Residence with a safe and maintainable walking route around the facility for purposes of exercise as well as access to the Sturgeon Road transit stops. The Sturgeon Creek II facility has been in operation for just over two years and the residents are requesting that the sidewalk be built. The Executive Director of Sturgeon Creek II Retirement Residence advises that residents currently walk on the street, which is not safe. The residents wish to establish a "walking club" which would utilize the sidewalks.

All Seniors Care Living Centres Ltd. also own and operate a similar seniors facility on the south side of Hallonquist Drive. Installing the sidewalks as Local Improvements was considered. For the proposed sidewalk on the north side of Hallonquist Drive, All Seniors Care Living Centres Ltd. is the only benefitting property owner with 100% of the frontage on both sides and would be assessed for 100% of the cost of the sidewalk improvement. For the proposed sidewalk on the east side of Setter Street, the opposing property at #700 Setter represents 50% of the accessible frontage and therefore the cost of this sidewalk improvement would be shared equally. The option of installing sidewalks under Local Improvement By-Laws was rejected as the owner of #700 Setter Street was unwilling from a financial perspective to provide the required support.

All Seniors Living Centres Ltd. are prepared to pay all costs associated with the sidewalk improvements and have signed a Letter of Understanding confirming their commitment to enter into an Agreement for Servicing with the City.

The sidewalks will be constructed to City standards upon completion. The City will assume ownership and be responsible for maintenance.
