RECOMMENDATION

1. That Zoning Agreement under File DAZ 227/76 dated July 21, 1976 (By-law 2112/78) and amended on July 16, 1981 (By-law 3047/81), be further amended as follows:

   B. That subsection (a) of Clause 4, pertaining to signage, be deleted and replaced with the following clause:

      That one fascia sign and one freestanding sign shall be permitted. Said signage shall not be internally illuminated, the total area of all signs shall not exceed 60 square feet, and the freestanding sign shall not exceed 8.75 feet in height.

2. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary Amending Agreement to Zoning Agreement DASZ 26/2007 (By-Law No.84/2008) as approved in aforesaid Recommendation 1.

3. That the Proper Officers of the City are hereby authorized to execute said Amending Agreement.

4. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

5. That DCU 09-113822/D be approved subject to the following condition:

i) That the drinking establishment use shall not exceed 500 square feet of floor area

REASON FOR THE REPORT

An application has been received to delete two existing zoning agreements and for a conditional use to Zoning By-law 200/2006, to allow a drinking establishment in conjunction with a restaurant. The Development Procedures By-Law (5893/92) specifies that the required public hearings shall be combined and heard by the designated committee, which is the City Centre Community Committee.

KEY ISSUES

APPLICANT: 5430853 Manitoba Ltd.
OWNER: Same as applicant
LOCATION: 484 Stradbrook Avenue
PLAN WINNIPEG: Neighbourhood Policy Area
SECONDARY PLAN: N/A
ZONING: "C2" PDO – Neighbourhood Main Street Commercial District

SITE DESCRIPTION AND SURROUNDING LAND USES
The subject property is located on Stradbrook Avenue, between Osborne and Nassau Streets, in the Osborne Village neighbourhood of the Fort Rouge-East Fort Garry Ward.

North: Surface parking lot zoned "C2" PDO - Neighbourhood Main Street Commercial District
South: Residences zoned "R2" Two-Family District
East: Commercial use zoned "C2" PDO - Neighbourhood Main Street Commercial District
West: Apartment building zoned "R2" Two-Family District

DESCRIPTION OF PROPOSED DEVELOPMENT
The applicant is seeking approval to establish a new restaurant with an accessory cocktail lounge (drinking establishment), in an existing building. The applicant indicates that the restaurant would feature Spanish tapas cuisine. It would include a dining room, with seating for 26 people, a cocktail lounge, with seating for 18 people, and an open kitchen, with seating for 4 people. The hours of operation would be Tuesday to Saturday from 11:30AM to 12:00AM and Sunday from 12:00PM to 9:30PM.

The applicant has indicated that they are not intending to build an outdoor patio at this time. However, if they decide to add an outdoor patio in the future, a conditional use would be required, if the patio is larger than 100 square feet.

A. ZONING AMENDMENT AGREEMENT

1. DESCRIPTION OF APPLICATION

The applicant is requesting a zoning amendment agreement to delete two previous zoning agreements.

a. Caveat 255709 (October, 1978)
This agreement was replaced by a subsequent zoning agreement in 1981. However, it still remains as a caveat on the landowners title. If this agreement is deleted, the entire

zoning agreement will be removed. Consequently, it is recommended that this caveat not be removed and that the later caveat be amended instead.

b. Caveat 81-86041 (July, 1981)

This agreement includes the following clauses:

Clause 2

i. Prohibited Uses

The land and any building or structure thereon shall not be used for any of the following uses:

(a) Advertising signs or structures and billboards
(b) Amusement enterprises
(c) Automobile service station
(d) Automobile and trailer sales area
(e) Car washing
(f) Funeral parlour
(g) Hospital for small animals
(h) Needle trades
(i) Pawnshop
(j) Public garage
(k) Restaurant
(l) Tire shop
(m) Non-accessory parking area

ii. Clause 3

No building or structure, parking or loading areas, fencing, landscaping, sign, exterior alterations or addition to buildings or structures shall be erected, located, or made on the land or any building permit issued for such work on the land unless and until plans are submitted to and approved by the Commissioner of the Environment of the City and thereafter identified by that Commissioner's signature under the designation "Schedule "A" to Zoning Agreement DAZ 227/76.

iii. Clause 4

a) Any sign erected on the land shall be attached to the parallel with the front wall of a building, shall not be illuminated, and the total area of all signs erected on the land shall not exceed 60 square feet

b) A minimum of six automobile parking spaces shall be provided and maintained on the land.

2. DISCUSSION

i Prohibited Uses (Clause 2)

The uses that are listed below are, in most cases, either prohibited, or conditional, since the adoption of the "C2" PDO Neighbourhood Main Street Overlay District.

(a) Advertising signs or structures and billboards **(Prohibited)**
(b) Amusement enterprises **(Conditional use/use specific standard)**
(c) Automobile service station **(Prohibited)**
(d) Automobile and trailer sales area **(Conditional use)**

(e) Car washing **(Prohibited)**
(f) Funeral parlour
(g) Hospital for small animals
(h) Needle trades **(Prohibited)**
(i) Pawnshop **(Prohibited)**
(j) Public garage
(k) Restaurant
(l) Tire shop **(Prohibited where accessory to auto repair)**
(m) Non-accessory parking area **(Conditional use)**

In light of this, the Division believes that these uses no longer need to be restricted under the zoning agreement.

After eliminating the above uses, the only uses remaining which do not have some sort of parallel restriction under the Zoning By-law are the following:

(a) Funeral parlour
(b) Hospital for small animals
(c) Public garage
(d) Restaurant

Funeral Home, Veterinary Clinic
These uses are permitted in "C2" and are not seen as overly disruptive or incompatible with the area. Furthermore, the likelihood of either use establishing at this location is remote. For these reasons, the Division has no concerns with removing then from the zoning agreement.

Public Garage
The site in question is likely too small to establish a parkade. In view of that, the site would have to be amalgamated with other properties in order to create enough land to construct a parkade. That, coupled with Schedule "A" approval, gives the City review mechanisms on any possible parkade in the future. For these reasons, the Division has no concerns with removing this use from the zoning agreement.

Restaurant
This is prohibited use which is of most concern to the applicant. Under the Osborne Village Secondary Plan, the subject property is located within the Village Character Commercial Area. Within this area, the Plan says the following:

5.1.2.B - *Encourage mixed-use buildings, with ground floors predominantly occupied by street oriented commercial uses such as retail, restaurant, entertainment, and personal services. Upper floors should contain offices, professional services, live/work units, and residential uses.*

Further to that, this property has been used as a restaurant for the last few years without complaint. Similarly, it is currently furnished as a restaurant.

For these reasons, the Division believes that this use should be removed from the prohibited list in the zoning agreement.

ii. Clause 3&4

The Division believes that Clause 3, with respect to Schedule “A” plan approval, and Clause 4, with respect to signage, should not be removed from the zoning agreement. However, Clause 4 should be revised, as indicated in the recommendations.

B. CONDITIONAL USE

1. DESCRIPTION OF APPLICATION

The applicant is requesting a conditional use to establish a 208 square foot lounge area, with seating for up to 18 people. The lounge would be accessory to the restaurant use, which is the focus of the business. The Division is recommending that this use be approved, with a condition that it be limited to 500 square feet of floor area.

2. DISCUSSION

The purpose of this condition is to allow the current owner flexibility in business operations while avoiding a possible conversion of the building into a bar, in the event that this business was to close in the future.

3. RECOMMENDATION

In the context of Section 247(3), the Planning and Land Use Division recommends **approval** for the following reasons:

(a) is consistent with Plan Winnipeg and any applicable secondary plan;

(b) does not create a substantial adverse effect on the amenities, use, safety and convenience of the adjoining property and adjacent area, including an area separated from the property by a street or waterway;

(d) is compatible with the area in which the property to be affected is situated;
