Item No. 8 Rezoning - Various Properties within the West Alexander and Centennial Neighbourhoods (Point Douglas Ward) File DAZ 200/2009

STANDING COMMITTEE RECOMMENDATION:

On June 30, 2009, the Standing Policy Committee on Property and Development concurred in the recommendation of the Lord Selkirk-West Kildonan Community Committee and submits the following to Council:

1. That The Winnipeg Zoning By-law No. 200/2006 be amended by rezoning the subject lands as shown on Schedule "B1" and listed on Schedule "B2" for File DAZ 200/2009 dated April 1, 2009 to an "RMU" Residential Mixed Use District, a "CMU" Commercial Mixed Use District, and an "M2" Manufacturing General District, with the exception of property owned by Creative Display Limited at 379 Notre Dame Avenue which is to be deleted from the lands shown on Schedule "B1" and listed on Schedule "B2" (Section "M1" to "CMU").

2. That the Acting City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three (3) readings.

3. That the Acting City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Agenda - Executive Policy Committee - July 15, 2009

Report - Standing Policy Committee on Property and Development - June 30, 2009

DECISION MAKING HISTORY:

STANDING COMMITTEE RECOMMENDATION:

On June 30, 2009, the Standing Policy Committee on Property and Development concurred in the recommendation of the Lord Selkirk-West Kildonan Community Committee and submitted the matter to the Executive Policy Committee and Council.

COMMUNITY COMMITTEE RECOMMENDATION:

On June 16, 2009, the Lord Selkirk-West Kildonan Community Committee concurred in the recommendation of the Winnipeg Public Service, with the following amendment, namely:

- Amend Recommendation 1 by deleting the property owned by Creative Display Limited at 379 Notre Dame Avenue from the lands shown on Schedule "B1" and listed on Schedule "B2" (Section "M1" to "CMU"),

and forwarded to the Standing Policy Committee on Property and Development.

On May 19, 2009, the Lord Selkirk-West Kildonan Community Committee adjourned the public hearing to its meeting on June 16, 2009 at 5:00 p.m. in the Council Building, 510 Main Street, in accordance with the recommendation of the Winnipeg Public Service.

On April 14, 2009, the Lord Selkirk-West Kildonan Community Committee adjourned the public hearing to its meeting on May 19, 2009 at 5:00 p.m. in the Council Building, 510 Main Street, to allow the Winnipeg Public Service to meet with the four property owners outlined in the "Consultation" portion of the report for DAZ 200/2009 (whose properties are to remain zoned "M1") and discuss possible restrictions to uses that are permitted in an "M1" zoning district but prohibited in an "RMU" zoning district.

RECOMMENDATIONS

1. That The Winnipeg Zoning By-law No. 200/06 be amended by rezoning the subject lands as shown on Schedule "B1" and listed on Schedule "B2" for File DAZ 200/2009 dated April 1, 2009 to an "RMU" Residential District, a "CMU" Commercial Mixed Use District, and an "M2" Manufacturing General District.

2. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three (3) readings.

3. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

IMPLICATIONS OF THE RECOMMENDATIONS

The zoning classification will be changed for various properties in the West Alexander and Centennial neighbourhoods, to align with the Secondary Plan.

APPENDIX A

Revised Report
The only changes are several corrections to property addresses in Appendix C

REASON FOR THE REPORT

An application has been filed by the Planning, Property, and Development Department to rezone various parcels in the West Alexander and Centennial neighbourhoods, in accordance with the West Alexander and Centennial Neighbourhood Plan (By-law 64/2008).

The Development Procedures By-Law (5893/92) specifies that the required public hearing for this rezoning application be heard by the Lord Selkirk-West Kildonan Community Committee.

KEY ISSUES

A. BACKGROUND:

In April 2004, Council's Standing Policy Committee on Property and Development endorsed the initiation of a Secondary Plan for the West Alexander and Centennial Neighbourhoods, in order to:

Strike a balance which supports and encourages growth and development of major institutions while protecting and enhancing the quality of the residential neighbourhoods.

In response, the Planning, Property, and Development Department developed the Secondary Plan through a collaborative planning process with area residents, business owners, and leaders of major institutions including the Health Sciences Centre, the University of Manitoba, and the Canadian Science Centre for Human and Animal Health. This process also included close consultation with all affected City departments to address any issues related to development and redevelopment in West Alexander and Centennial, and to ensure that the City's requirements were incorporated into the plan's policies.

This Secondary Plan was adopted by City Council in July 2008.

B. DISCUSSION:

Properties being rezoned

The City is seeking to rezone 232 properties. The breakdown in zoning categories is as follows:

M1 to RMU	14 properties
C1 to RMU	2 properties
RMF-S to RMU	1 property
R2 to RMU	35 properties
R2 to CMU	20 properties
M1 to CMU	11 properties
RMF-S to CMU	11 properties
RMF-M to CMU	1 property
RMF-L to CMU	1 property
C1 to CMU	4 properties
C2 to CMU	119 properties
M3 to M2	13 properties

1. Reason for Rezonings

The Planning, Property, and Development Department is initiating the subject rezonings. Rezoning the properties identified in the application was one of the recommendations made in the West Alexander and Centennial Neighbourhood Plan, which was adopted as By-law by City Council in July 2008.

The reason for the rezonings is as follows:

i. Change to "M2" Manufacturing General District

The Plan states the following:

In order to achieve the Industrial policies and to address the issues identified by the Community, the following policy is to be implemented:

Preserve a viable industrial base which can coexist with residential and more commercially oriented uses, by eliminating "M3" Industrial zoning and replacing it with "M2" Industrial zoning, which is more compatible with the area

The intent of the "M2" District, as stated in the Zoning By-law, is to provide for light manufacturing, processing, service, storage, wholesale, and distribution operations, with some limited outside operations and storage.

ii. Change to "CMU" Commercial Mixed Use District

The Plan states the following:

In order to achieve the stated intent for the Commercial section of the Plan and to address the issues identified by the community, the following policy is to be implemented:

Rezone the areas as defined by the Commercial Mixed Use Map 7, to "CMU" Commercial Mixed Use District

"CMU" zoning will allow properties more flexibility to mix commercial and residential uses in the same building, which is an objective of the Plan.

The intent of the "CMU" District, as stated in the Zoning By-law, is to provide for community-serving mixed use development at a higher scale than is appropriate for neighbourhood locations. The "CMU" District is intended for use along selected corridors and at important nodes in the city. The district is intended to include attractive commercial, institutional, recreational, and service facilities needed to support surrounding neighbourhoods and the community at large. Although the area, site, or building should have a predominantly commercial character, multi-family housing may be incorporated within the district, and development should facilitate pedestrian connections between residential and non-residential uses.

iii. Change to "RMU" Residential Mixed Use District

The intent of the Residential Mixed Use District, as identified in the Plan, is the following:

To encourage a fine grained mix of low and medium density residential uses with low intensity commercial uses – rather than a separation of uses. A secondary purpose is to encourage compatibility of built form between building types, to provide a consistent scale, and to maintain the interesting qualities and characteristics of the streetscape.

The properties in this District currently have a range of zoning designations, which are not all compatible with the long term objectives for this area. Consequently, rezoning these properties to "RMU" will help achieve the intent statement for the District and advance Plan goals for this area.

The intent of the "RMU" District, as stated in the Zoning By-law, is to facilitate the development of primarily medium to higher density residential development, though it may also contain limited small scale commercial, institutional, recreational, and service facilities needed to support residential development. The area, site, or building, should retain a predominantly residential character. Development in the "RMU" District should facilitate and encourage pedestrian travel between residential and non-residential uses. This district is often adjacent and incidental to a town centre, neighbourhood commercial centre, or other type of mixed use or employment centre.

2. Differences between zoning districts

i. Differences between the "C2" and "CMU" District

All the principal uses that are changing as a result of the rezoning from "C2" to "CMU" are listed in a table in Attachment B. Of note are the following changes:

- Multiple family housing becomes a permitted use, rather than a conditional use, in order to encourage new residential development in these areas.
- Drinking establishments become conditional, rather than permitted uses.
- Pawn shops and x-rated stores become prohibited uses, rather than conditional uses
- Billboard signs become prohibited, rather than conditional uses

ii. Differences between the "M3" and "M2" District

All the principal uses that are changing as a result of the rezoning from "M3" to "M2" are listed in Attachment C. Of note are the following changes:

- Heavy manufacturing becomes prohibited, rather than permitted
- Wrecking and salvage yard becomes prohibited, rather than permitted
- Office becomes permitted, rather than prohibited

iii. "RMU" District

The "RMU" District is replacing properties which are currently zoned "R2" Two-Family District, "C1" Commercial District, "RMF-S" Multiple-family District, and "M1" Industrial District. The most significant changes that are occurring in this category are among the properties changing from "M1" to "RMU".

All the principal uses that are changing as a result of the rezoning from "M1" to "RMU" are listed in Attachment D. Of note are the following changes:

- All residential uses become either permitted or conditional

- Pawn shops and x-rated stores go from conditional to prohibited
- Contractor's establishment goes from permitted to prohibited
- Light manufacturing goes from permitted to prohibited

Consultation
The Planning and Land Use Division has consulted with affected property owners on this initiative. We sent a letter to all affected property owners explaining the proposed rezoning, held an informational open house, and posted information on the City of Winnipeg website.

Four (4) property owners contacted us and are on record as objecting to the rezonings. Their property addresses are as follows:

Zoning District	Minimum/ Maximum Front Yard (Ft.) [note a]	Minimum Rear Yard (Ft.)	Minimum Interior Side Yard (Ft.) [note b]	Minimum Corner Side Yard (Ft.)	Maximum Height of Building (Ft.)	Maximum Floor Area Ratio
C2	0 / NA	25 [note c]	0	0	49	3.0
CMU	0 / NA	25	0	0	60	3.0

Multi-family residential structures in the C2 and CMU districts must meet the requirements of the RMF-M zoning district.

NOTES:

a. Where a maximum front yard requirement applies, a minimum of 50 percent of the ground floor front façade of the principal structure must meet the maximum front yard requirement; other portions of the front façade may be located further from the street.

b. Where a side lot line in a commercial or institutional zoning district abuts a side lot line of an R1 or R2 zoning district, a side yard of 10 feet must be provided along the side lot line in the commercial or institutional district. The 10 foot side yard must be landscaped pursuant to sections 188 through 193, , Landscaping and Buffering, and must not be used for parking or loading areas, storage of refuse or materials, or commercial activities of any kind.

c. No rear yard is required for lots in the C2 district located in the Urban Infill Areas on Maps 1 and 2 in Schedule C
