"That the Winnipeg Public Service, in consultation with the Ward Councillor, be requested to negotiate an easement agreement in favour of Dave Warrenchuk and Sigrid Quinn of 1 Carriere Avenue for ingress/egress purposes over the City-owned property located at the west limit of the back lane north of Carriere Avenue, subject to the following conditions:

A. *That should the City determine at any time to eliminate the access across the subject City-owned property, the owners of 1 Carriere Avenue shall be responsible for relocating the garage door to the east side of the structure and undertaking necessary modifications to provide access directly off the lane; this includes returning the City land to a state at least as good as it was prior to the granting of the easement.*

B. *That no modifications shall be made to the easement parcel without written approval by the Director Planning Property and Development.*

C. *That the city not be responsible to police the use of the space by others in the community nor to maintain the property within the easement area.*

D. *That a caveat including the above conditions be registered on the property title of 1 Carriere Avenue."*

The Planning, Property and Development Department has concluded negotiations with the owners of 1 Carriere Avenue. The proposed easement Agreement also provides for the following:

1. That should the City determine at any time to eliminate the access across the subject City-owned property, the owners of 1 Carriere Road shall be responsible for relocating the garage door to the east side of the structure and undertaking necessary modifications to provide access directly off the lane; this including returning the City land to a state at least as good as it was prior to the granting of the easement.
