(c) the rate of interest payable on the amount or the term within which it is repayable.

294(4) In dealing with an application made under this section, the Minister of Finance must consider only the financial position of the city and must

(a) approve the application in whole or in part or subject to terms and conditions, including specifying the time within which the amount to be borrowed is to be repayable; or

(b) refuse to approve the application."
