Report - Standing Policy Committee on Property and Development - October 8, 2009

Item No. 3 Servicing Agreement Amendment – Bison Drive Sidewalk (St. Norbert Ward) File DASZ 42/2007

STANDING COMMITTEE RECOMMENDATION:

On October 8, 2009, the Standing Policy Committee on Property and Development concurred in the recommendation of the Riel Community Committee and submits the following to Council:

1. That Clause 3. in Section 1 of Schedule "C" of Servicing Agreement AG 42/07 be deleted in its entirety and replaced with the following:

   3. Bison Drive Sidewalk

   The Developer shall construct a 3.5 m wide by 75 mm-thick Asphalt concrete multi-use pathway/sidewalk on the south side of Bison Drive from the existing private approach serving the adjacent property (Superstore) to Barnes Street, as determined by, and to the satisfaction of, the Director of Public Works.

   The City shall reimburse the Developer for the actual final cost difference between constructing a 3.5-m-wide by 75-mm-thick Asphalt concrete multi-use pathway/sidewalk and a 1.5-m-wide by 100 mm thick Portland cement concrete sidewalk, in an amount estimated at $30,600 including Engineering, all in 2009 dollars, as determined by, and to the satisfaction of, the Director of Public Works.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

RE: REQUEST TO AMEND SERVICING AGREEMENT AG 42/07 – THE MANITOBA PUBLIC INSURANCE CORPORATION

On March 19, 2008 the Developer, The Manitoba Public Insurance Corporation entered into Servicing Agreement AG 42/07 with the City establishing development conditions to serve the planned area for their proposed MPI Claims Centre on Bison Drive.

The Public Works Department has requested that Servicing Agreement AG 42/07 be amended to accommodate a change in the sidewalk design that is required to be constructed by the Developer pursuant to terms of the original agreement. The design change consists of building a 3.5 metre wide asphalt concrete multi-use pathway/sidewalk in place of the 1.5 metre wide Portland cement concrete sidewalk as originally contemplated. The Public Works Department has consulted with the Developer (The Manitoba Public Insurance Corporation) and advise that they have no objection to this request to build the new amenities provided the associated extra costs are paid for by the City of Winnipeg.

Clause 3. in Section 1 of Schedule "C" of AG 42/07 reads;

3. Bison Drive Sidewalk

The Developer shall, at no expense to the City, construct a 1.5-m-wide by 100-mm-thick Portland cement concrete sidewalk on the south side of Bison Drive from the existing private approach serving the adjacent property (Superstore) to Barnes Street, as determined by, and to the satisfaction of, the Director of Public Works.

It is therefore recommended that Clause 3. in Section 1 of Schedule "C" of AG 42/07, be deleted in it's entirety and replaced with new Clause 3. as follows;

3. Bison Drive Sidewalk

The Developer shall construct a 3.5 m wide by 75 mm-thick Asphalt concrete multi-use pathway/sidewalk on the south side of Bison Drive from the existing private approach serving the adjacent property (Superstore) to Barnes Street, as determined by, and to the satisfaction of, the Director of Public Works.

The City shall reimburse the Developer for the actual final cost difference between constructing a 3.5-m-wide by 75-mm-thick Asphalt concrete multi-use pathway/sidewalk and a 1.5-m-wide by 100 mm thick Portland cement concrete sidewalk, in an amount estimated at $30,600 including Engineering, all in 2009 dollars, as determined by, and to the satisfaction of, the Director of Public Works.
