Report – Standing Policy Committee on Finance – September 17, 2009

DECISION MAKING HISTORY (continued):

COUNCIL DECISION (continued):

AND WHEREAS in the 2007 Capital Budget, Council limited lease payments on the tax supported Public Private Partnerships by specifying that they be funded annually from the cash to capital contribution in the Operating Budget up to a maximum of 25% of the cash to capital amount, including the lease payments on the previously approved Charleswood Bridge Project;

AND WHEREAS in the 2008 Capital Budget, Council changed and expanded the policy by agreeing that lease payments on tax supported Public Private Partnerships be funded annually up to a maximum of 30% of the cash to capital contribution in the Operating Budget AND the Federal Gas Tax Funding amount;

AND WHEREAS no consolidated report has been provided to Council on the short and long term financial implications of the P3 projects with regard to both the direct impact on future capital budgets and indirect impact on future operating budgets;

THEREFORE BE IT RESOLVED THAT Council be provided with a detailed breakdown of the cash flow projections of the City of Winnipeg P3 portfolio over the next five years, starting in 2010;

AND BE IT FURTHER RESOLVED THAT the report will identify potential sources of funding for the annual lease/debt P3 repayments, provide for an analysis of the potential impact on our future financial statements, as well as the impact of the expected annual repayments on both our Capital and Operating Budgets.
