RECOMMENDATIONS

1. That Council declare the subject City-owned property shown outlined on Misc. Plan No. 13390/3, attached, surplus to the needs of the City.

2. That the Proper Officers do all things necessary to implement the intent of the foregoing.

IMPLICATIONS OF THE RECOMMENDATIONS

It is intended that the Director of Planning, Property and Development Department negotiate and approve the sale of the subject property to the adjoining owner of the property fronting Ronnander Cove, pursuant to "Delegation of Authority for Real Property Transactions" approved by Council on January 28, 2009. This would occur after all necessary development applications have been approved.

HISTORY

The subject City-owned property was originally acquired from the area developer, Solarch Design Ltd. within a development agreement. It was retained by the City to serve as a control strip separating a public street (Ronnander Cove) from three privately owned parcels.

An adjacent owner has approached the City expressing interest in acquiring the subject City-owned property in order to create a residential subdivision (DASSF 578/08).

Particulars of the subject property are as follows:

Location:	East end of Ronnander Cove off of Bloomer Crescent
Legal Description:	Lot 14, Block 1, Plan 33790
Roll No.:	01-001248400
Zoning:	R1-L
Size:	±934 sq. ft.

The proposed Purchaser will be required to pay all applicable servicing fees through his subdivision application, DASSF 578/08.

In association with DASSF 578/08, on June 10, 2009, the Board of Adjustment approved a variance application, DAV 125030/2009C, to permit the Proposed Lot 4 (as shown on the attached Misc. Plan No. 13390/3) to have:

1. a lot area of 1,374.7 square feet (419 square meters)
2. a lot not having frontage on a improved street

The Proposed Lot 4 can be consolidated with the adjoining properties in the future to accommodate a further subdivision of the Elmhurst Road rearage.

City Departments were canvassed to determine if there was any need or objection to declaring the subject City-owned property surplus to the needs of the City. No civic need was identified. In addition, the Planning, Property and Development Department consulted with the Ward Councillor who is supportive of the sale in order to accommodate the subdivision.
