RECOMMENDATIONS

1. That the subject City-owned property located on the north-west corner of St. Mary's Road at Kenny Street, shown shaded on Misc. Plan No. 12278/2 be declared surplus to needs of the City.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

IMPLICATIONS OF THE RECOMMENDATIONS

- Council approval is required to declare the subject City property surplus to the needs of the City.
- The Planning, Property and Development Department intends to sell the subject City property to Chahine Decorating Ltd. for $60,000.00, in accordance with the delegated authority granted to the Director to sell properties being sold through a public offering.
- There are no regulatory or human resources implications associated with this report.
- The City's standard terms and conditions of sale include provisions to protect the City's interests in the event that environmental contamination is discovered.

HISTORY

The subject City property was acquired in July 2003 for the future widening of St. Mary's Road.

The Winnipeg Public Service has determined that there is no City requirement for the property shown shaded on Misc. Plan No. 12278/2, other than the portion shown in broken outline on the said Misc. Plan. The Public Works Department has advised that there is a long range plan for the future widening of St. Mary's Road. That Department has no objection to the sale of the subject City property, provided that the City retain a reversionary interest to that portion of the lands identified as "Land Required for Future Street Opening" on Misc. Plan No. 12278/2.

The Winnipeg Public Service advertised the subject City-owned property for sale in the local newspapers, on the City website and on-site signage. Offers to Purchase were received until 4:30 pm on Friday, October 16, 2009. The Winnipeg Public Service received six (6) Offers for the subject property. Details of these offers are identified on Schedule "A" attached.

The prices offered are as follows:

Chahine Decorating Ltd.	$60,000.00
Mark Penner	$33,000.00
Rusty Rischuk	$31,100.00
Bryce Brousseau	$23,500.00
Adel Gindy	$21,000.00
Yuhong Ji	$ 5,000.00

The Offer received from Chahine Decorating Ltd. for $60,000.00, is considered to be the highest and best offer. The Offer is in accordance with the terms and conditions of the Offer to Purchase that was included in the information package released by the Winnipeg Public Service.

The Department supports the proposed sale of the subject property to Chahine Decorating Ltd. for the following reasons:

- The Ward Councillor is supportive of the sale.
- The Offer to Purchase received from Chahine Decorating Ltd. is the highest net offer ($60,000.00).
- The proposed purchase price exceeds the estimated market value of the property as determined by an internal appraisal report ($23,000.00).
- The property would be placed on the tax roll at the closing of the sale.
- The sale will eliminate the liability for the City associated with holding this property.

Additional Comments: While there are no direct financial implications associated with declaring a property surplus to the needs of the City, doing so in this case will result in the sale of the property under the authority delegated to the Director. As such, approval of the recommendations will result in sale proceeds of $60,000 being credited to the Land Operating Reserve Fund.
