RECOMMENDATIONS

1. That the 2010 Schedule of Council and Committee meetings be amended as outlined in Appendix A.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

IMPLICATIONS OF THE RECOMMENDATIONS

- Rescheduling of multiple committee meetings impacts the overall 2010 Schedule of Meetings.

- Regular meetings of the Standing Policy Committees on Downtown Development and Property and Development will move from the first week to the second week of the meeting cycle. Regular meetings of the Standing Policy Committees on Protection and Community Services, and Infrastructure Renewal and Public Works will move from the second week to the first week of the cycle. Changes to the Schedule of Meetings would be effective for the April 2010 cycle.

- The Association of Manitoba Municipalities holds an annual convention of municipalities every year at the end of November. To avoid a scheduling conflict with the Annual Convention from November 22 to 25, 2010, Council and Committee meetings are moved one week later.

HISTORY

On July 22, 2009, Council concurred in the recommendation of the Secretariat Committee and adopted the 2010 Schedule of Council and Committee Meetings.

On January 27, 2010, Council ruled automatic referral of the following motion to the Executive Policy Committee:

> WHEREAS the Association of Manitoba Municipalities (AMM) holds its Annual Convention of municipalities every year at the end of November;
>
> AND WHEREAS the City of Winnipeg is a member of the AMM and should therefore encourage its members of Council to attend the annual convention;
>
> AND WHEREAS the City of Winnipeg has unintentionally scheduled meetings of Council and Committees during the schedule of the four day AMM convention, making it difficult for members of Council to fully participate in the convention;
>
> AND WHEREAS the AMM establishes the date of the convention at least two years in advance of the convention making it possible for the City of Winnipeg to schedule of all of its regular meetings to avoid a conflict with the convention dates;
>
> THEREFORE BE IT RESOLVED that Council establish a precedent that no meetings of Council, including Committees of Council, be scheduled during the four day AMM convention schedule;
>
> AND BE IT FURTHER RESOLVED that the Winnipeg Public Service be requested to amend the 2010 Schedule of Council and Committee Meetings and that the amended schedule be forwarded to Council for consideration at the earliest opportunity.

On February 3, 2010, the Executive Policy Committee referred the proposed amendment to the 2010 Schedule of Council and Committee Meetings to the City Clerk for review and report back on the following:

1. That no meetings of Council, including Committees of Council, be scheduled during the annual four-day convention of the Association of Manitoba Municipalities; and

2. That the Standing Policy Committee on Downtown Development and the Standing Policy Committee on Property and Development be rescheduled from the first week in the four-week meeting cycle to the second week.

Appendix A contains a revised Schedule of Meetings from April 2010 through to the end of the Council Term in November 2010. The Standing Policy Committee on Downtown Development and the Standing Policy Committee on Property and Development move to the second week of the meeting cycle. The Standing Policy Committee on Protection and Community Services and the Standing Policy Committee on Infrastructure Renewal and Public Works will move to the first week in order to avoid any conflicts between standing committee dates.

Meetings in November 2010 have been rescheduled to avoid overlap with the Annual Association of Manitoba Municipalities Convention. The AMM annual convention will also be

considered in the development of future schedules.
