KIDSPORT WINNIPEG

WHAT IS KIDSPORT?

KidSport is a national children's charity designed to help children, up to 18 years of age, overcome financial barriers so that ALL kids can participate in sport.

Sport's challenges teach children the value of leadership, desire, hard work, honesty, sacrifice and self-confidence; all this while also providing health benefits and ensuring that kids choose the right 'team' in their community.

Since 1993, KidSport Manitoba has raised over $1,850,000 and assisted over 14,000 children province wide. In 2008 alone, KidSport Manitoba assisted 1,735 children with $334,000.

KidSport assists with sport registration fees by providing a maximum of $300 per child/per year to play a season of sport (not for camps or trips to tournaments). The average grant per child province-wide is $192.50.

KIDSPORT WINNIPEG

KidSport is volunteer driven, and does not receive any form of direct government funding for grants to children. Sport Manitoba provides administrative and promotional support for the program.

100% of dollars raised through special events, donations and fundraising go directly to assisting kids.

In 2008, KidSport provided $119,185 to allow 532 children in the City of Winnipeg to participate in their sport of choice.

Awareness of the program and changes to the economy have put KidSport Winnipeg in jeopardy of not being able to assist all eligible kids who apply. Growth in need has gone beyond our ability to fundraise. Some kids will not be able to play.

Our awareness program has been very successful, resulting in new applicants and kids we didn't reach before. We are seeing an increasing number of applicants at lower income levels than in years past.

So ALL Kids Can Play!

HOW DO WE HELP?

KidSport uses the Stats Canada Low Income Cut-off number as our needs assessment to ensure those with the highest need are provided with assistance.

Applicants are required to provide proof of income

If child quits the sport, the sport club returns the funds to KidSport.

Support is provided directly to the sport club, not to the parent or guardian.

WHO DO WE HELP?

City of Winnipeg is to be complimented for its foresight in providing support to the General Council of Winnipeg Community Centre for a "KidSport-like" program that assists kids to take part in community centre sports or activities.

KidSport assists everyone else, about 40% of the kids in need in Winnipeg who wish to play sport; they are from all corners of the city.

Largest groups include football, developmental soccer, gymnastics, rowing, boxing, martial arts and high school sports

REQUEST FOR ASSISTANCE

As KidSport provides support to 40% of the kids in Winnipeg who face financial barriers that would prevent them from playing sport; we would respectfully request a grant of $50,000 to provide the same support as is received by kids who happen to play their sport in a community centre.

The Value of Sport

Sport Manitoba believes young people learn more than athletic skills by participating in sport. Sport provides a lifelong opportunity for self-expression and self-discovery.

Sport's challenges teach children the value of leadership, desire, planning, practice, hard work, honesty, sacrifice, dedication, positive thinking, and self-confidence. Sport provides children with the opportunity to set realistic goals, to strive to be the best that they can be, and to realize their athletic dreams.

What is KidSport™?

KidSport is a children's charity designed to help children, up to 18 years of age, overcome financial barriers, so that ALL kids can participate in sport.

Since 1993, KidSport has raised over $1,000,000, providing over 11,000 Manitoba kids with the opportunity to participate in sport! KidSport has also collected and distributed tons of gently used sport equipment.

The money raised by any one of Manitoba's seven regional KidSport chapters stays within that specific region and **100% of fundraising proceeds and donations are directed back to KidSport kids.**

KidSport identifies needs in the community, raises funds, and supports programs that create new opportunities for young people to participate in sport.

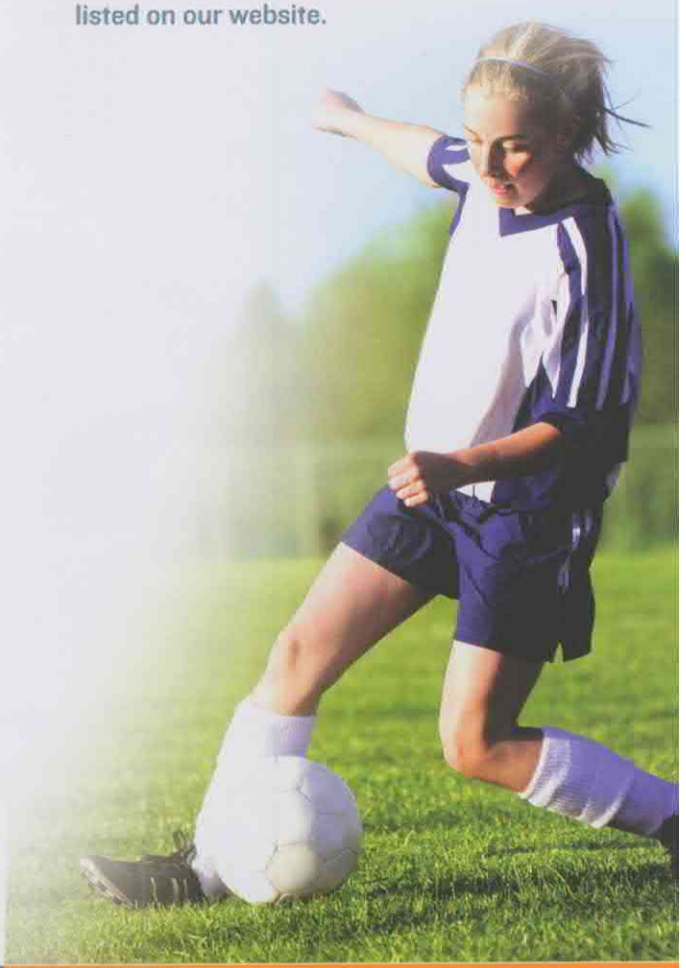

Financial Assistance

KidSport allows children and their families to apply for assistance of up to $300 per year per child to register in a season of organized sport. Application forms are available from any one of the seven regional Sport Manitoba offices throughout the province or on our website.

Sport Equipment Recycling

KidSport Manitoba collects new and used equipment and distributes it to children who cannot afford to purchase their own. The KidSport warehouse is home to a wide variety of gently used equipment which is safety inspected before being recycled into the community. If you have new or 'gently used' sporting equipment to donate, you can drop it off at any Sport Manitoba regional office or any of the Winnipeg KidSport collection boxes listed on our website.
