RECOMMENDATIONS

1. That the subject City-owned property located south of 1808 Wellington Avenue, shown shaded on Misc. Plan No. 10249/7 be declared surplus to the needs of the City.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

IMPLICATIONS OF THE RECOMMENDATIONS

- Council approval is required to declare the subject City property surplus to the needs of the City.

- The Planning, Property and Development Department intends to sell the subject City property to the adjacent owner, 4356773 Manitoba Ltd. for $18,000.00, in accordance with the Council approved *"Offers to Purchase City-Owned Property Policy"*, whereby the Department may act on unsolicited offers for City-owned property from an adjacent existing owner when the property in question is not developable on its own.

- There are no regulatory or human resources implications associated with this report.

- The City's standard terms and conditions of sale include provisions to protect the City's interests in the event that environmental contamination is discovered.

HISTORY

The subject City property was formerly used as a railway right of way. A visual inspection in the late fall of 2009 indicated that the rail tracks had been removed some time ago.

The Winnipeg Public Service has determined that there is no City requirement for the property shown shaded on Misc. Plan No. 10249/7.

4356773 Manitoba Ltd. owns the adjacent property to the north and east and intends to use the subject City property to expand its parking area for the Victoria Inn Hotel.

The Offer received from 4356773 Manitoba Ltd. for $18,000.00 is in accordance with the City's standard terms and conditions of sale.

The Department intends to sell the subject property to 4356773 Manitoba Ltd. for the following reasons:

- The Ward Councillor is supportive of the sale.
- The proposed purchase price is in accordance with the estimated market value of the property as determined by an internal appraisal report ($16,000.00).
- The property would be placed on the tax roll at the closing of the sale.
- The sale will eliminate the liability for the City associated with holding this property.
