RECOMMENDATIONS

1. That the subject City-owned property located at 930 Pandora Avenue West, shown shaded on Misc. Plan No. 13673, be declared surplus to the needs of the City.

2. That the proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

IMPLICATIONS OF THE RECOMMENDATIONS

- Council approval is required to declare the subject City property surplus to the needs of the City.

- The Planning, Property and Development Department intends to sell the subject City property to the adjacent owners in accordance with the Council approved *"Offers to Purchase City-Owned Property Policy"*, whereby the Department may act on unsolicited offers for City-owned property from an adjacent existing owner(s) when the property in question is not developable on its own.

- There are no regulatory or human resources implications associated with this report.

- The City's standard terms and conditions of sale will include provisions to protect the City's interests in the event that environmental contamination is discovered.

HISTORY

The subject City property formed part of the Bradley Street alignment previously designated for the North-South Transportation Corridor.

On April 26, 2006, Council declared the City owned property reserved for the Bradley Street alignment located south of Pandora Avenue West, as outlined on Misc. Plan No. 12844/1, surplus to the needs of the City. Those lands have since been sold by the City.

The Winnipeg Public Service has determined that there is no City requirement for the subject City property shown shaded on Misc. Plan No. 13673.

The Department intends to negotiate and sell the subject property to the adjacent property owners for the following reasons:

- The Ward Councillor is supportive of the future sale of the property.
- The property would be placed on the tax roll upon the closing of the sale.
- The proposed purchase price(s) to the respective adjacent property owners will be in accordance with the estimated market value of the property as determined by an internal appraisal report.
- Any future sale will eliminate the liability for the City associated with holding this property.
