Agenda – Executive Policy Committee – May 12, 2010

Moved by Councillor

That Rule 10(3) of The Procedure By-law No. 50/2007 be suspended in order that the following item, which was received less than 96 hours preceding the committee meeting, be considered by Committee.

Report – Standing Policy Committee on Infrastructure Renewal and Public Works – May 11, 2010

Item No. 3 Amendment to 2010 Capital Budget – Active Transportation Action Plan
eFile ST-7.2

STANDING COMMITTEE RECOMMENDATION:

On May 11, 2010, the Standing Policy Committee on Infrastructure Renewal and Public Works concurred in the recommendation C of the Winnipeg Public Service and submits the following to Council:

1. That the 2010 Capital Budget for the Public Works Department, Recreational Walkways and Bike Paths, be increased by $800,000.00 to reflect reimbursement from the Manitoba Rural Infrastructure Fund program for recreational path construction on the Bishop Grandin Greenway west of the Red River.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Report – Standing Policy Committee on Infrastructure Renewal and Public Works – May 11, 2010

DECISION MAKING HISTORY:

STANDING COMMITTEE DECISION:

On May 11, 2010, the Standing Policy Committee on Infrastructure Renewal and Public Works concurred in the recommendations A and B of the Winnipeg Public Service, namely:

A. That the recommended 2010 Active Transportation program, identified in Appendix 1 to the report of the Winnipeg Public Service dated March 12, 2010, be approved.

B. That the transfer of $400,000.00 from Public Works Non-Specified Capital Account (project #18970000NS), $550,000.00 from the 2010 Recreational Walkways and Bike Paths Program (project #1832000110) and $440,000.00 from the Active Transportation Corridors Program (project #1832000310) into the Active Transportation - Infrastructure Stimulus Program (AT-ISP) (project #1832000410) be approved.

STANDING COMMITTEE RECOMMENDATION:

On May 11, 2010, the Standing Policy Committee on Infrastructure Renewal and Public Works concurred in the recommendation C of the Winnipeg Public Service:

C. That the 2010 Capital Budget for the Public Works Department, Recreational Walkways and Bike Paths, be increased by $800,000.00 to reflect reimbursement from the Manitoba Rural Infrastructure Fund program for recreational path construction on the Bishop Grandin Greenway west of the Red River,

and submitted the matter to the Executive Policy Committee and Council.

Further on May 11, 2010, the Standing Policy Committee on Infrastructure Renewal and Public Works received from Janice Lukes, Winnipeg Trails Association a communication dated May 4, 2010, in support of the 2010 Active Transportation Action Plan.

ADMINISTRATIVE REPORT

ISSUE: 2010 Active Transportation Action Plan

Critical Path: STANDING POLICY COMMITTEE ON INFRASTRUCTURE RENEWAL AND PUBLIC WORKS – EPC - COUNCIL

AUTHORIZATION

Author	Department Head	CFO	CAO
L. Escobar, P. Eng., Manager of Transportation	L. Deane, P. Eng. A/Director of Public Works	J. Ferrier Acting CFO	G. Laubenstein

RECOMMENDATIONS

a) That the recommended 2010 Active Transportation program identified in Appendix 1 be approved.

b) That the Standing Policy Committee on Infrastructure Renewal and Public Works approve the transfer of $400,000 from Public Works Non-Specified Capital Account (project #18970000NS), $550,000 from the 2010 Recreational Walkways and Bike Paths Program (project #1832000110) and $440,000 from the Active Transportation Corridors Program (project #1832000310) into the Active Transportation - Infrastructure Stimulus Program (AT-ISP) (project #1832000410).

c) That the 2010 Capital Budget for the Public Works Department, Recreational Walkways and Bike Paths, be increased by $800,000 to reflect reimbursement from the Manitoba Rural Infrastructure Fund program for recreational path construction on the Bishop Grandin Greenway west of the Red River.

IMPLICATIONS OF THE RECOMMENDATIONS

Approval of the recommended 2010 Active Transportation Program and transfer of funds will allow for awarding of Active Transportation Infrastructure Stimulus Program contracts where tender prices exceed initial cost estimates. Program funding rules prohibit transfer of Federal and Provincial funds between individual project locations.

HISTORY

a) The Public Works Department annually presents a listing of recommended Active Transportation projects for approval by the Standing Policy Committee on Infrastructure Renewal and Public Works.

b) In December of 2009, Winnipeg City Council approved $20.4 million in capital funding to improve the active transportation network throughout the city. Channeled through the Active Transportation - Infrastructure Stimulus Program (AT-ISP), this funding comes from three levels of government with the City, Province and Federal governments contributing equally to the program. The program will provide capital funding for 35 Active Transportation projects that range from multi-use pathways to bike boulevards. Supplementing the approved budget is necessary to cover costs deemed ineligible under the funding agreement.

c) The Bishop Grandin Greenway West from Waverley/Kenaston Blvd to McGillivray Blvd is the last phase of the Manitoba Rural Infrastructure Fund (MRIF) project started in 2008. The City of Winnipeg will be reimbursed two-thirds of the eligible funding for this project as per the MRIF agreement.

Public Works Department
Non-Specified Capital Account – 18970000NS

	Transfers In	Transfers Out	Balance
Balance at January 1, 2010			$1,240,181
Transfer in from closing completed Capital projects March 9, 2010	$70,246		$1,310,427
Pending Approval – Transfer to 2010 Recreational Walkways and Bike Path Program - subject to approval of recommendation contained in this report		$400,000	$ 910,427
