Tyndall Park Expansion Project

26/03/2010

The board at Tyndall Park CC. Put forth a proposal a proposal to our City of Winnipeg Reps, Mike Pagtakhan , Judy Wasylycia-Leis, Kevin Lamareux and GCWCC for the rebuilding/expansion of Tyndall Park CC.

It is the vision of the board to expand and build a brand new retro fitted building, an indoor soccer pitch, a double gym, a cricket pitch and at the Garden Grove site put in a skate board park and a bmx park, keeping all of the existing fields and diamonds.

When meeting with Mike he stated now that we have the plan in place our first step would be to have a feasibility study done which he offered to fund through the CGIP Grant. When meeting with GCWCC, they stated that we have the square footed need to go ahead and get a feasibility study done.

With that being stated this is why we are applying for this grant to enable us to hire a company to do the study.

Thank you,
