Dear Ms. Timmins:

REZONING
Location: 848 William Avenue
Lord Selkirk-West Kildonan Community Committee
File No. DAZ 230/02

An application has been received from Manitoba Adolescent Treatment Centre, to amend By-Law No. 6400/94 by rezoning the land shown below from an "R2" Two-Family District to a "C1.5" Commercial District to allow for the maintenance and operation of offices for the Manitoba Adolescent Treatment Centre at the subject location.

RELATED FILES: DAV1025/02D

SITE DESCRIPTION:

Site Area:

The overall area of the lot in question totals 5115 sq. ft. The lot dimensions are 33' by 155'.

Existing Land Use and Zoning:

There is currently a one and one half storey building on site which for the last five years has been the home of the Manitoba Adolescent Treatment Centre. They obtained the right to establish by way of a maximum 5 year use variance in 1996, said variance having now expired.

Surrounding Land Use and Zoning:

North: To the north across William are existing dwellings zoned R2 Residential.
South: To the south across an adjoining lane are residential homes zoned R2 Residential.
East: To the east is a parking lot / large Govt. building similarly zoned R2 Residential.
West: To the west are existing residences along the south side of William zoned R2 Residential.

DEVELOPMENT DESCRIPTION:

The applicants have made application to rezone to a restricted C1-5 Commercial category in order to allow them to continue operating the aforementioned treatment centre. In 1996, they obtained the right to establish their offices at the subject location by way of a use variance for a maximum period of five years.. The Manitoba Treatment Centre provides a range of mental health treatment services for children, youth and families. The variance has expired and procedurally cannot be renewed forcing the applicants to rezone to a restricted commercial category in order to continue operating the facility.

PLAN WINNIPEG:

The site is in area designated Neighbourhood Policy Area under Plan Winnipeg which allows commercial development.

ADMINISTRATIVE COMMENTS:

The Planning and Land Use Division is not opposed to rezoning the subject property to a restricted C1-5 Commercial zoning in order to allow for the continued operation of the existing facility. It is our recommendation that the use of the site be restricted to the Manitoba Adolescent Treatment Centre's current needs for offices, meeting rooms, maintenance and storage areas. We would not at this time recommend expanding on the permitted use list due to the proximity of adjacent residential dwellings and the obvious lack of parking available. It should be noted that to our knowledge, the facility has, in the last five years, been a good

neighbour and there have not been any complaints registered with the City's Enforcement Branch.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 230/02, attached hereto and dated, January 27, 2003, to a "C1.5" Commercial District, subject to the following:

   A. That the applicant enter into a zoning agreement with the City of Winnipeg pursuant to Subsection 240(1) of The City of Winnipeg Act, to provide for the following:

      1. That the use of the land be restricted to offices, meeting rooms, counseling facilities, kitchen, maintenance and storage areas

II. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time.

IV. That the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat as a first charge against the subject land at the Winnipeg Land Titles Office, provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.

VI. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

VII. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Act.
