RE: ***Audit of the Councillors' Representation Allowance Fund Expenditures***

In accordance with the *Councillors' Representation Allowance Fund Policy Requirements*, I have conducted an audit of the Councillors' Representation Allowance expenditures incurred by each City Councillor during 2009. The City Clerk's Department is responsible for reviewing and processing expenditures in accordance with this Policy. The Secretariat Committee oversees the Policy including making decisions on whether expenditures comply with the Policy. The audit is limited to determining whether the Councillors' Representation Allowance expenditures complied with the *Councillors' Representation Allowance Fund Policy Requirements* in all significant respects.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance that the Councillors' Representation Allowance expenditures comply with the criteria established by the provisions of the Policy referred to above. Such an audit includes examining, on a test basis, evidence supporting the amounts, purpose, approval, recording and reporting of expenditures for compliance with the *Councillors' Representation Allowance Fund Policy Requirements.*

CRA Fund expenditures for the year ended December 31, 2009, for fourteen City Councillors were found to be in compliance with the Policy in all significant respects. In the case of the fifteenth City Councillor, I found, contrary to policy requirements, no documentation was provided at the time reimbursement was requested and approved to support car allowance expenditures of $415. The individual reports are attached for your information including a summary of expenditures.

At the next Audit Committee meeting (scheduled for July 5th) I will be tabling a supplementary report to our November 2009 *Review of the Councillors' Representation Allowance Fund* report. This report will contain recommendations for changes to the *Councillors' Representation Allowance Fund Policy Requirements* to ensure that the Policy anticipates all expenditure categories, clearly defines allowable expenditures, and reflects a contemporary view of public expectations and best practices.

Brian Whiteside, CA·CIA
