HISTORY

On February 18, 2009, Council adopted Item No. 2, the report of the Executive Policy Committee dated February 4, 2009 which recommended approval of the subject rezoning to an "R1-M" Residential Single-Family District, a "PR1" Parks and Recreation 1 (Neighbourhood) District, an "RMF-S" Residential Multi-Family District – Small, and a "CMU" Commercial Mixed Use District under Zoning By-law 200/2006 as shown on Appendix "A" attached.

Recommendation 6 contained in said report stipulates:

> "That in the event the matter is not proceeded with expeditiously and the by-law is not passed within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council."

Recommendation 9 stipulates the following:

> "That the zoning section of the by-law comes into force when the plan of subdivision is registered in the Winnipeg Land Titles Office and the Zoning Agreement is registered in the Winnipeg Land Titles Office by caveat against the subject lands, provided that the said effective date occurs within one year from the date the by-law is passed."

Recommendation 10 further stipulates the following:

> "That the plan of subdivision shall be approved and signed by the Director of Planning, Property and Development within one year from the date the by-law is passed, failing which the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time."

The rezoning By-law No. 40/2009 was passed by Council on March 25, 2009. The coming into force section of the By-law requires that the plan of subdivision and Zoning Agreement caveat be registered in the Winnipeg Land Titles Office by March 25, 2010 failing which the By-law shall expire unless that date is extended by a resolution of the City Council and the plan of subdivision and caveat are registered before such extended date. The plan of subdivision has not been approved and the By-law has not been enacted and the one year time limit has now expired.

The applicant, Waterside Development Corporation, 80 Southmoor Road, Winnipeg, Manitoba, R2J 2P4 is requesting an extension of time in order to complete the necessary registrations of the Zoning Agreement and related plan of subdivision survey mylars at the Winnipeg Land Titles Office. See attached Appendix "B".

The Winnipeg Public Service has reviewed this request and is of the opinion that approval of the requested extension of time for a one (1) year period is acceptable as circumstances leading to the original approval remain unchanged.

Dear Ms. Savage:

Re: AG 20A/08 (DASZ 20/08) AND AG 20B/08 (DASZ 33/08)

We are in receipt of your email dated April 8, 2010 in reference to the above noted property.

The property was acquired from the City of Winnipeg September 15, 2009 and we have been diligently acting on the above noted property with respect to re-zoning, Plan Winnipeg Amendment and various other departments at the City of Winnipeg. Inadertently, the date of March 31, 2009 was missed in reference to bi-law 40/08 and 41/08.

We therefore ask you to consider our Application for an Extension together with our cheque in the amount of $648 ($324 for each parcel) so that our Extension of Time Report can be heard at the Riel Community Committee on May 3, 2010.

Thank you for your understanding in this regard.

Yours truly,

B. MacKenzie
