Council Adopted Land Dedication Reserve Criteria

Renew Masonry has been requested to provide a cost for the following.

Monument Re-Build

Renew Masonry as per your request had gone out to do a quote for repairs to your monument. After inspecting the monument it is clear it cannot be repaired, a rebuild is needed. This work would take approximately 5 days to complete.

Breakdown

1935- (1 inch lettering) it is completely crumbling and needs to be replaced.

1950-57 Korea – (3 inch lettering) turning to powder and needs to be replaced.

1913 – (4 inch lettering) needs to be rebuilt, it would crumble if repaired

All of these will have to have the etching redone, extra cost. You could call Gillis Quarries LTD. 222-2242 to get a price on etching. They would need measurements and pictures for exact cost.
