SUBJECT: To rezone the subject land at the southwest corner of Langside Street and Sara Avenue from an "R2" Two-Family Residential District to a "C1" Commercial District.

LEGAL DESCRIPTION: LOT Z, Plan 3304

RECOMMENDATION: Approval, with conditions

SITE DESCRIPTION
The subject property, which is zoned "R2" Two-Family Residential District, is located at the southwest corner of Langside Street and Sara Avenue in the West Broadway neighbourhood of the Fort Rouge-East Fort Garry ward.

North: Residences zoned "R2" Two-Family Residential District
South: Residences zoned "R2" Two-Family Residential District
East: Residences zoned "R2" Two-Family Residential District
West: Residences zoned "R2" Two-Family Residential District

BACKGROUND
In 1999, the Board of Adjustment approved a use variance for a change of use for a period not to exceed five years, to permit the establishment of an office and an artist's studio in an existing building.

The use variance expired in 2004, however, the uses have continued since that time, without incident.

DESCRIPTION OF THE PROPOSED DEVELOPMENT
The applicant seeks approved to rezone the subject property to maintain the operation of an artist's studio on the first floor and an office on the second floor, and to establish a dwelling unit on the third floor. These uses were first established through a use variance in 1999.

ANALYSIS AND ISSUES
The proposal is to rezone a 3 storey, brick commercial building at the corner of Sara and Langside within the West Broadway neighbourhood. Historically, the building used to house a corner store with apartments above. Prior to the current owners redeveloping the property in 1999, it was vacant and in need of rehabilitation.

The commercial uses (artist studio and office) are a good fit in the neighbourhood and have operated without incident since 1999.

Context
Small commercial uses on corners within residential neighbourhoods can add vibrancy to an area and over time, become part of the neighbourhood fabric.

With that said, conditions are required to ensure that the building scale and permitted uses are aligned with the neighbourhood context.

Other
At the time the use variance was approved by the Board of Adjustment in 1999, the record shows that the applicant intended to eventually apply for a rezoning. Consequently, the establishment of this use was never intended to be temporary.

RECOMMENDATIONS
The Planning and Land Use Division recommends approval for the following reasons:

- The building has historically been used for commercial purposes
- The commercial uses in the building (artist studio and office) are a good fit in the neighbourhood and have operated without incident since 1999.
- The use was legally established by a use variance in 1999. At the time the use variance was approved by the Board of Adjustment in 1999, the record shows that the applicant intended to eventually apply for a rezoning.
- The rezoning does not create an adverse impact on adjoining properties and the surrounding neighbourhood
- The rezoning is consistent with Plan Winnipeg
