2003 Old St. Vital BIZ
- Proposed Programs and Budget -

The 2003 Program has not been clearly defined as yet.

The board felt it was necessary to re-direct their efforts, but were unable to establish exactly the direction that should be taken. In the fall of 2002 the board decided to meet with a facilitator to discuss the 2003 programs.

A meeting was scheduled for November 21st, however due to unforeseen circumstances this meeting had to be cancelled. A new meeting is scheduled for January 9th, 2003.

A report will be submitted by fax to the City Clerk as to the outcome of this meeting.
