Report - Standing Policy Committee on Property and Development – December 6, 2010

Item No. 14 Subdivision and Rezoning - 830 Knowles Avenue and the City Property to the South - DASZ 13/2010 [c/r DAV 125882/2010D] (North Kildonan Ward)

STANDING COMMITTEE RECOMMENDATION:

On December 6, 2010, the Standing Policy Committee on Property and Development concurred in the recommendation of the East Kildonan-Transcona Community Committee, and submits the following to Council:

1. That the plan of subdivision proposed under File DASZ 13/2010 be approved for preparation as a plan of subdivision by a Manitoba Land Surveyor in accordance with Schedule "A" for File DASZ 13/2010 dated September 20, 2010, with such minor changes as may be required, and for registration in the Winnipeg Land Titles Office subject to the following:

    A. That the Developer be required to enter into a Servicing Agreement with the City containing all the conditions outlined in Schedule B, the report of the Administrative Coordinating Group dated July 30, 2010.

2. That The Winnipeg Zoning By-law No. 200/2006 be amended by rezoning the subject land as shown on Schedule "A" for File DASZ 13/2010 dated September 20, 2010, to R1-L Residential Single-Family District – Large.

3. That the City owned property shown in broken outline and identified as "Subject City Property to be Opened" shown on Schedule C (Misc. Plan No. 12859/2) be declared as surplus to the City's needs.

4. That the Director of Planning, Property and Development be authorized to negotiate and approve the sale of the "Subject City Property" as shown in Schedule C (Misc. Plan No. 12859/2) to the applicant on terms and conditions satisfactory to the Director of Planning, Property and Development and the Director of Legal Services and City Solicitor in order to protect the interests of the City

Report - Standing Policy Committee on Property and Development – December 6, 2010

5. That a ten percent (10%) dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication, based on the increase in market value of the land.

6. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

7. That in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

8. That the Director of Legal Services and City Solicitor be requested to prepare the necessary by-law in accordance with the above.

9. That the subdivision section of the by-law shall come into force and effect upon execution by the City of Winnipeg of the Development Agreement.

10. That the zoning section of the by-law shall come into force and effect when the Plan of Subdivision has been registered in the Winnipeg Land Titles Office.

11. That the Plan of Subdivision shall be approved and signed by the Director of Planning, Property and Development within two (2) years of the date of passage of the aforementioned by-law.

12. That in the event the necessary City of Winnipeg mylar approval signatures have not been secured within twelve (12) months after adoption of the by-law, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twelve (12) month period and the extension is subsequently approved by Council.

13. That the Director of Legal Services and City Solicitor be requested to do all thing necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Agenda - Executive Policy Committee – December 8, 2010

Report - Standing Policy Committee on Property and Development – December 6, 2010

DECISION MAKING HISTORY:

STANDING COMMITTEE RECOMMENDATION:

On December 6, 2010, the Standing Policy Committee on Property and Development concurred in the recommendation of the East Kildonan-Transcona Community Committee, and submitted the matter to the Executive Policy Committee and Council.

COMMUNITY COMMITTEE RECOMMENDATION:

On November 16, 2010, the East Kildonan-Transcona Community Committee concurred in the recommendation of the Winnipeg Public Service, with the following amendment, namely:

- Add the following Recommendation 5 and renumber the remaining Recommendations accordingly:

    "5. That a ten percent (10%) dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication, based on the increase in market value of the land,"

and forwarded the matter to the Standing Policy Committee on Property and Development.

On September 28, 2010, the East Kildonan-Transcona Community Committee adjourned the public hearing to its meeting on November 16, 2010 at 6:30 p.m. in the Bronx Park Community Centre, 720 Henderson Highway.

2. That The Winnipeg Zoning By-law No. 200/2006 be amended by rezoning the subject land as shown on Schedule "A" for File DASZ 13/2010 dated September 20, 2010, to R1-L Residential Single-Family District – Large.

3. That Council declare the City owned property shown in broken outline and identified as "Subject City Property to be Opened" shown on Schedule C (Misc. Plan No. 12859/2) as surplus to the City's needs.

4. That the Director of Planning, Property and Development be authorized to negotiate and approve the sale of the "Subject City Property" as shown in Schedule C (Misc. Plan No. 12859/2) to the applicant on terms and conditions satisfactory to the Director of Planning, Property and Development and the Director of Legal Services and City Solicitor in order to protect the interests of the City

5. That a ten percent (10%) dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication, based on the increase in market value of the land.

6. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

7. That in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

8. That the Director of Legal Services and City Solicitor be requested to prepare the necessary by-law in accordance with the above.

9. That the subdivision section of the by-law shall come into force and effect upon execution by the City of Winnipeg of the Development Agreement.

10. That the zoning section of the by-law shall come into force and effect when the Plan of Subdivision has been registered in the Winnipeg Land Titles Office.

11. That the Plan of Subdivision shall be approved and signed by the Director of Planning, Property and Development within two (2) years of the date of passage of the aforementioned by-law.

12. That in the event the necessary City of Winnipeg mylar approval signatures have not been secured within twelve (12) months after adoption of the by-law, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twelve (12) month period and the extension is subsequently approved by Council.

13. That the Director of Legal Services and City Solicitor be requested to do all thing necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Note: ***The wording in bold and italics denotes amendments made by the Community Committee.***

The East Kildonan-Transcona Community Committee provided the following supporting reason(s) for its recommendation:

1. This is not inconsistent where we go with smaller properties just by the nature of the rest of the zoning of the subdivision…it is not incompatible.

7. That the Director of Legal Services and City Solicitor be requested to prepare the necessary by-law in accordance with the above.

8. That the subdivision section of the by-law shall come into force and effect upon execution by the City of Winnipeg of the Development Agreement.

9. That the zoning section of the by-law shall come into force and effect when the Plan of Subdivision has been registered in the Winnipeg Land Titles Office.

10. That the Plan of Subdivision shall be approved and signed by the Director of Planning, Property and Development within two (2) years of the date of passage of the aforementioned by-law.

11. That in the event the necessary City of Winnipeg mylar approval signatures have not been secured within twelve (12) months after adoption of the by-law, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twelve (12) month period and the extension is subsequently approved by Council.

12. That the Director of Legal Services be requested to do all thing necessary for implementation in accordance with the terms of The City of Winnipeg Charter

REASON FOR THE REPORT

- The applicant intends to create three (3) lots for new single family dwellings zoned **R1-M Residential Single-Family District – Medium** on Headmaster Row.
- The existing single family dwellings will remain fronting Knowles Avenue and will not have their zoning designations change or any additional new lots created on Knowles Avenue.
- A full range of municipal services have been extended along Headmaster Row.
- No additional improvements will be made to Knowles Avenue through this development application.
- City of Winnipeg lands along the north side of Headmaster adjacent to the applicant's lands will be declared surplus, sold to the applicant, and consolidated into the new plan of subdivision.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations of the Planning and Land Use Division are concurred in, twenty-seven (27) single - family dwellings on fully serviced lots will be allowed for construction on the lands.

HISTORY

History of Residential Development – Knowles Avenue:
Knowles Avenue, west of De Vries Avenue and east of Gateway Road, has 32 single-family dwellings on 39 lots for a total frontage feet of 4880 feet. The average lot widths are 105.5 feet on the south side and 150.5 feet on the north side.

All of these lots were created, starting in 1912 (Plan 1950), well before *Plan Winnipeg* established clear standards for municipal infrastructure. The last plan of subdivision approved was in April, 1981 (Plan 15679) for the creation of one lot.

Since the adoption of *Plan Winnipeg* in 1986, the further subdivision of land along Knowles Avenue without a full range of municipal infrastructure has been prohibited.

Council has approved a number of applications for residential development in the Gateway / Bonner / Knowles / De Vries area since 2004, when land drainage was provided in the area, that have the full range of municipal services including:

- DASZ 20/04 - 40 acres of land to construct 155 single family dwellings; two lots for multiple family dwellings; and extend Headmaster Row to Lagimodiere Blvd;
- DASZ 45/04 - 5 acres to construct 20 single family dwellings;
- DASZ 53/05 - 71,429.31 square feet into 11 residential lots;
- DASZ 12/06 - 38,224.556 square feet to develop three (3) single family residential lots;
- DASZ 15/07 - 32 residential units on Cindy Klassen Way, two (2) multiple family buildings on Headmaster;
- DASZ 23/07 – create eight (8) residential lots on Cindy Klassen Way;
- DAZ 223/2007 - 4.2 acres to construct 140 apartment style dwellings for seniors;
- DASZ 24/08 - 43,000 square feet to construct 15 single family lots.

The City of Winnipeg has rejected a number of applications for subdivisions, as well as requiring the modification of several applications for lands fronting Knowles Avenue based on the *Plan Winnipeg* policy requiring a full range of municipal infrastructure in a Neighbourhood Policy Area including:

- DASSF 550/04 (two new lots rejected),
- DASZ 45/2004 (5 lots removed from Knowles Ave frontage)
- DASZ 23/2007 (lots re-orientated to front Cindy Klassen Way)
- DASZ 38/2007 (lots re-orientated to Sunny Morning Rd)

- DASZ 26/2008 (two new lots removed from Knowles Avenue frontage)
- DASSF 549/09 (two new lots rejected); and
- DASSF 542/09 at 795 Knowles.

Access to Land Drainage System:
On May 18, 2005, the City of Winnipeg approved a development application by North Grassie Properties for 40 acres of vacant land (DASZ 20/2004 – Arrowwood) and 5 acres of land (DASZ 45/2004) on the west side of De Vries Avenue between Gateway Rd, Bonner Avenue and Knowles Avenue.

These applications enabled the construction of 175 single family dwellings. A full range of municipal infrastructure was constructed including a 3.1 acre retention lake for land drainage that was sized in order to provide capacity for all the lands along Bonner Avenue, Knowles Avenue and north to the City Limits.

The Developer was required to invest in the extension of land drainage pipes along with the full range of municipal services north on Cindy Klassen Way and Sunny Morning Road to enable the extension of municipal services to Knowles Avenue.

Local Improvement – Knowles Avenue to Sunny Morning, Sunny Morning to De Vries Avenue
Wastewater Sewer and Watermain improvements have been approved for construction from Sunny Morning Road to De Vries Avenue in 2010. Wastewater, Watermain and Land Drainage Sewer has been approved for construction from Gateway Road east to Sunny Morning Road in 2010.

Knowles Avenue will remain as a rural cross-section standard road with open ditches and chip seal coating from Gateway Road east to DeVries Avenue (see Appendix B for Chronology of Local Improvement).

Request for Secondary Plan – Knowles Avenue between Gateway Road and De Vries Avenue
On July 6, 2010 the Standing Policy Committee on Property and Development received for information and did not proceed with the East Kildonan – Transcona Community Committee a request to create a plan overlay, special planning area, or secondary plan for the homes that front Knowles Avenue between Gateway Road and De Vries Avenue that allows for subdivisions of lots to a minimum of 50 frontage feet with less than the standard full-range of municipal services, specifically concrete roadway and land drainage, as they do not conform with Plan Winnipeg 2020 under subsection 275(2) of the City of Winnipeg Charter.

REPORT SUMMARY

- The applicant intends to create three (3) lots for new single family dwellings zoned **R1-M Residential Single-Family District – Medium** on Headmaster Row.
- The existing single family dwellings will remain fronting Knowles Avenue and will not have their zoning designations change or any additional new lots created on Knowles Avenue.
- A full range of municipal services have been extended along Headmaster Row.
- No additional improvements will be made to Knowles Avenue through this development application.

- City of Winnipeg lands along the north side of Headmaster adjacent to the applicant's lands will be declared surplus, sold to the applicant, and consolidated into the new plan of subdivision.

SURROUNDING LAND USES AND ZONING

- The subject properties are 22,000 square feet (830 Knowles) and 4,908.8 square feet (city lands) for a total of **26,908.8 square feet** located on the south side of Knowles Avenue between Cindy Klassen Way and De Vries in the Springfield North neighbourhood of the North Kildonan ward.
- The site is zoned **RR 5 Rural Residential District** .
- The site is roughly rectangular-shaped and is occupied by a 1,332 square foot dwelling constructed in 1975.
- Adjacent properties include single family dwellings to the east along Knowles split-zoned "R1-L" Single Family Residential and "RR5" Rural Residential 5.

BACKGROUND

DASZ 20/04 830 Knowles

In July 2008, an application was made to create two (2) lots on Headmaster Row. At that time, municipal sewer was not available along Knowles Avenue, and the land owner was unable to proceed as the septic field was located where the new lots were proposed. The application was subsequently withdrawn in September 2008.

DESCRIPTION OF THE PROPOSED DEVELOPMENT

- The applicant intends to create three (3) lots for new single family dwellings zoned **R1-M Residential Single-Family District – Medium** on Headmaster Row.
- The existing single family dwelling will remain fronting Knowles Avenue and will not have their zoning designations change or any additional new lots created on Knowles Avenue.
- The new lots will be 3528 square feet; 3513 square feet; 3562 square feet - the residual lot fronting Knowles Avenue will 16,308 square feet.

ANALYSIS AND ISSUES

PLAN WINNIPEG

- *Plan Winnipeg 2020 Vision* is our primary planning policy document that guides all land use, development and planning matters within the City of Winnipeg;

- All versions of *Plan Winnipeg*, (1986, 1993 and 2001) have included policies limiting the subdivision of unserviced lots;

- The Public Service HAS rejected the subdivision application along Knowles Avenue because it is contrary to *Plan Winnipeg 2020* Policy 3A – 02 Promote Compact Urban Form.

- The full range of municipal infrastructure is readily available for extension to this development and has been oversized for capacity to accommodate future growth along Knowles Avenue.

ZONING (BY-LAW 200/2006)

- **R1-M Residential Single-Family District – Medium** minimum lot sizes of 3,500 square feet are required.

    - Side yards of 4 feet are required.
    - Front yard requirements are 15 feet; rear yard requirements are 25 feet.
    - Maximum building height is 35 feet.

- **R1-L Residential Single-Family District – Large** minimum lot sizes of 5,500 square feet are required.
    - Side yards of 4 feet are required.
    - Front yard requirements are 15 feet;
    - rear yard requirements are 25 feet.
    - Maximum building height is 35 feet.

- **RR 5 Rural Residential District** minimum lot sizes of 5 acres are required.
    - Side yards of 25 feet are required.
    - Front yard requirements are 100 feet;
    - Rear yards are 25 feet.
    - Maximum building height is 35 feet.
    - Agricultural cultivation is a permitted use; Stable or riding academy, Landscape/garden contractor or production, and Apiary are 'conditional' uses.

LAND-USE BY-LAW

- Zoning By-Law 200/2006 requires that undeveloped parcels in "R1' Zones that meet the underlying lot area/ lot width be consistent with the properties that are directly abutting them.
- This is assessed by calculating the average lot width/square footage of the lots in residential use within 200 feet of the proposed lot(s).
- If the average lot width/lot areas of the proposed lots are less than the average of the adjacent properties required in the analysis, a variance of the Special Boundary Conditions is required.
- The variances may be appealed to the Appeals Committee for a new public hearing, whereas the recommendation by Community Committee for a rezoning proceeds to Council for decision.

MUNICIPAL SERVICES

A full range of municipal services (piped water, piped sewer, piped land drainage, and paved roadway) will be extended along the new street into the planned area. The Developer will need to pay their share of the cost of improvements previously installed by others at and in the vicinity of the intersection of Headmaster Row and Lagimodiere Boulevard, pay their share of the cost of the oversizing of the pavement previously installed by others in Headmaster Row, and pay their share of the cost of the regional land drainage system for the proposed lots 1, 2, and 3.

LAND DEDICATION

- When a developer rezones and/or subdivides a parcel of land, they are required to put in an application with the City of Winnipeg.
- As a condition of rezoning or subdivision, a developer is required to contribute a portion of the land to be developed to the City for parks purposes.
- The amount of lands is not less than 10%. The developer will provide land or 'cash in lieu' as determined by the Planning, Property and Development Department.

- If dedication is ‘cash in lieu’ of land, then the developer is required to pay the City its share of the costs of landscaping and services that it would have expended had a dedication of the land been made, which will equal 10 %.
- ‘Cash in lieu’ of land will be required under this development application.

RECOMMENDATIONS

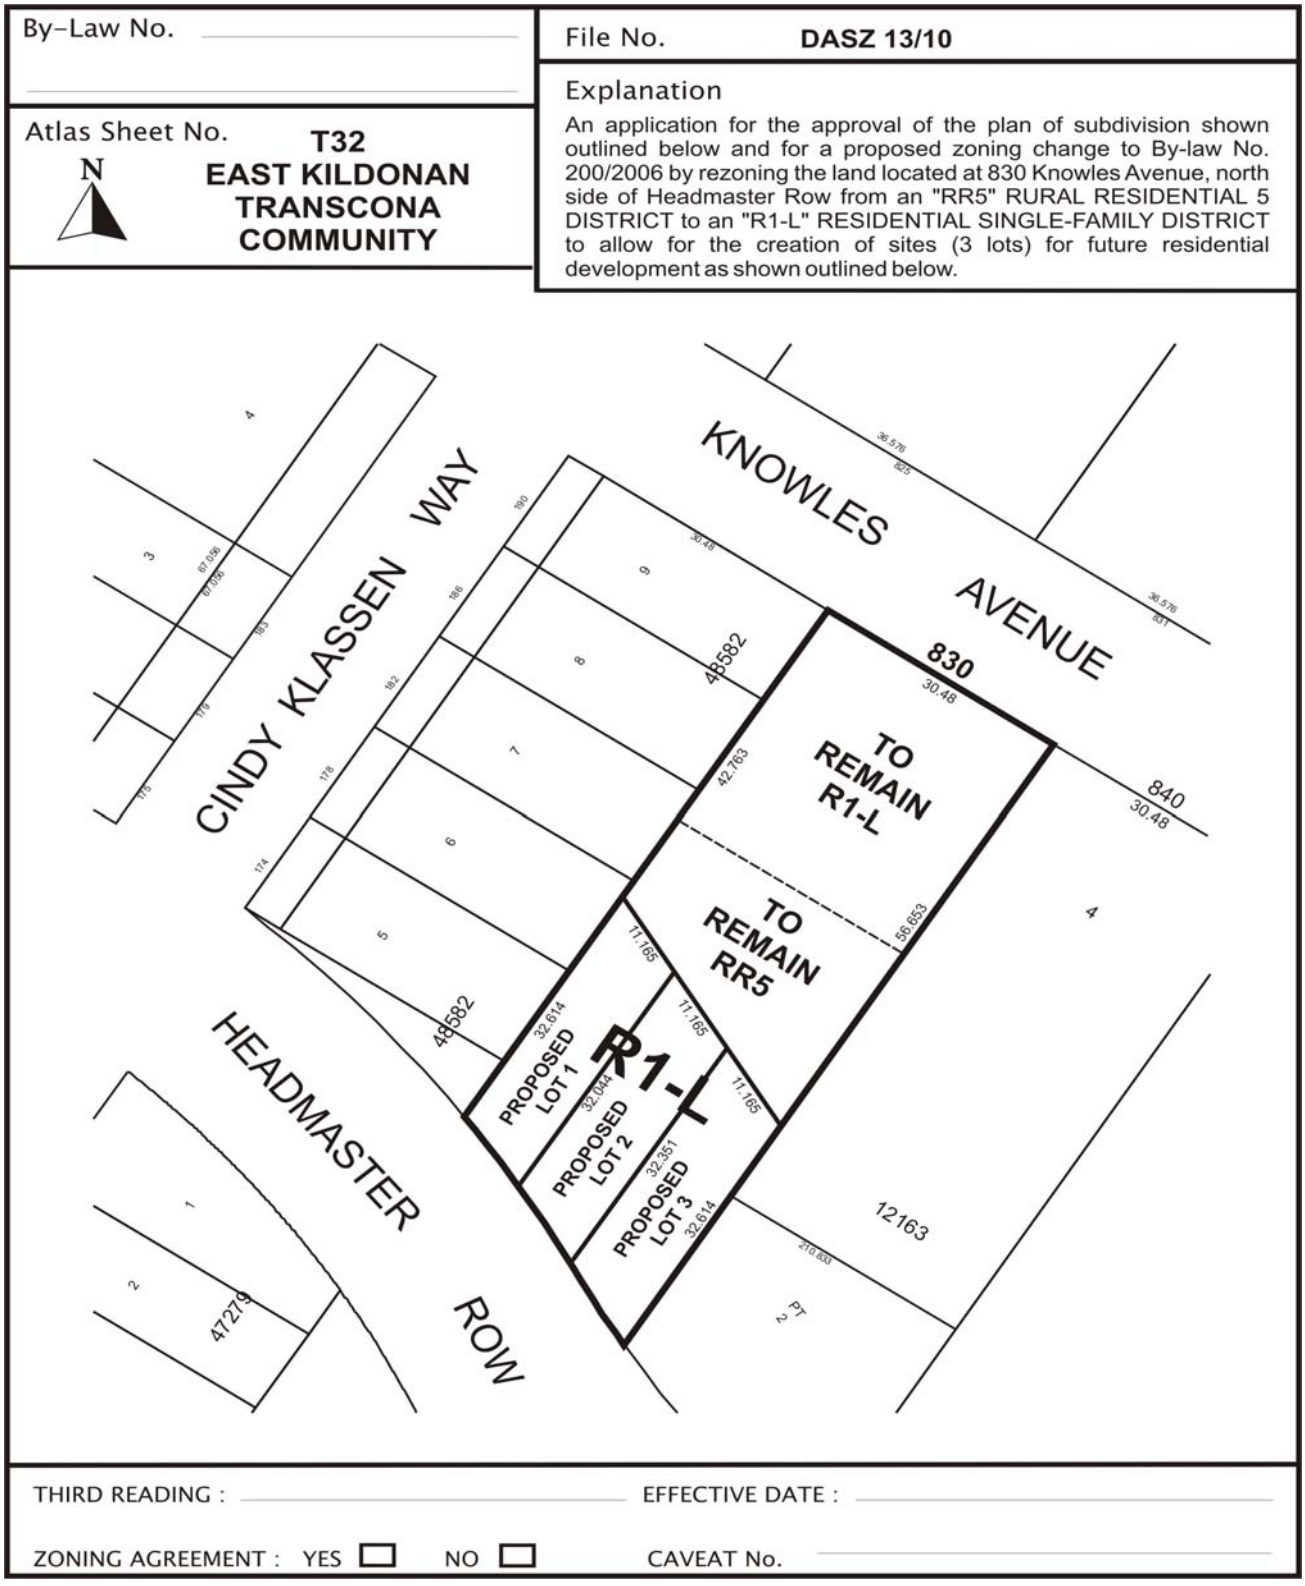

The Planning and Land-Use Division supports rezoning and subdividing the property to residential to allow the construction of a residential dwellings.

- The proposed use is consistent with the adjacent properties on the nearby streets of residential development including residential dwellings that front the north side of Headmaster Row.
- The proposed subdivision will ensure an efficient use of the previously-installed municipal services.

SCHEDULE B

REPORT OF THE ADMINISTRATIVE CO-ORDINATING GROUP – JULY 30, 2010

RE: PROPOSED SUBDIVISION & REZONING OF LAND AT 830 KNOWLES AVENUE & NORTH SIDE OF HEADMASTER ROW - DASZ 13/10

It is recommended that the approval of DASZ 13/10 be subject to the applicant entering into a **Servicing Agreement** with the City of Winnipeg, containing the following conditions:

1. The Developer shall pay its share of the services constructed or to be constructed by others in Headmaster Row, as determined by the Directors of Water and Waste and Public Works.

2. The Developer shall pay its share of the cost of improvements previously installed by others at and in the vicinity of the intersection of Headmaster Row and Lagimodiere Boulevard, as determined by the Director of Public Works.

The Developer shall pay its share of the cost of the oversizing of the pavement previously installed by others in Headmaster Row, as determined by the Director of Public Works.

3. The Developer shall provide a site servicing drawing prepared by a municipal engineer and install lot line services to service all lots within the Planned Area, as follows:

    a) The Developer shall, at no expense to the City, construct and install wastewater and water building services from the wastewater sewer and watermain, to service all lots within the Planned Area, as determined by, and to the satisfaction of, the Director of Water and Waste.
    b) The Developer shall ensure that each sewer service remains plugged from installation until the foundation excavation has been backfilled and the roof of the dwelling has been sheathed, after which the house sewer may be connected. The Developer hereby indemnifies the City against all actions, claims, demands, damages, losses, and costs, including legal and court costs, suffered or incurred by the City arising out of any failure to do so prior to the issuance of a Final Acceptance Certificate certifying completion of all work under this Agreement.
    c) The Developer shall replace or repair any water or sewer service found to be defective within one year following the date the water is turned on for domestic use, and shall pay the City any cost incurred by the City arising out of any such defect.

4. No building permits shall be issued for Lots 1, 2, or 3 until Lot 4 (830 Knowles Avenue) has connected to City services.

5. The Developer shall pay its share of the cost of the regional land drainage system (2010 Rate = $18,994/acre) for the proposed lots 1, 2, and 3, as determined by the Director of Water and Waste

6. The Developer shall, at no expense to the City, provide a lot grading plan, prepared by a municipal engineer, for the Planned Area, and construct all drainage works necessitated by the design.

7. The Developer shall, at no expense to the City, construct all swales, catchbasins, and leads required to provide lot drainage prior to the issuance of building permits.

8. The Developer shall, at no expense to the City, provide all easements with respect to the installation, maintenance, and replacement of swales, catchbasins, and leads for lot drainage upon registration of the approved subdivision mylars in the Land Titles Office.

9. The Developer shall, at no expense to the City, cause underground electrical and telephone services to be installed to serve proposed Lots 1, 2, and 3, and pay the full cost to convert any existing overhead services serving those lots to underground.

The Developer shall pay all costs associated with the installation and/or relocation of street lights and other utilities made necessary as a result of, or required to accommodate, the works to be constructed by the Developer to serve the Planned Area, as determined by, and to the satisfaction of, the Director of Public Works.

The Developer shall, at no expense to the City, ensure that construction traffic uses access routes determined by the Director of Public Works; maintain those access routes, at no expense to the City, in a clean, dust-free condition, free of dropped and tracked-on mud; and undertake the regular cleaning of streets – all until building construction, including landscaping, is complete, and all as determined by, and to the satisfaction of, the Director of Public Works.

The Developer shall, at no expense to the City, initiate and control the regular cleanup of litter and refuse from the contractors and builders for this development, both on-site and off-site, during the installation of services and construction of buildings, until completion of all construction, as determined by, and to the satisfaction of, the Director of Public Works.

Following completion of all major construction works, the Developer shall, at its cost, have the locations of the survey monuments within the Planned Area verified and, where the survey monuments have been disturbed, moved, covered, mutilated, or destroyed, have them replaced by a Manitoba Land Surveyor, who shall provide the Director of Planning, Property and Development with a certificate that all survey monuments within the Planned Area have been verified and/or replaced.

The Developer shall pay the full cost of engineering services provided by or on behalf of the City in connection with the installation of, and provision of as-built drawings by March

31 of the year following substantial performance showing, the services required to serve the Planned Area.

The Developer shall pay to the City, prior to the release of the subdivision mylars for registration in the Land Titles Office, $1,200.00 per acre of Planned Area (minimum $1,650.00) plus GST to defray the City's administration and related costs associated with the preparation and implementation of the Servicing Agreement.
