REPORT SUMMARY

Key Issues:

- This is the fourth consecutive year that Council has been asked to consider allocations from the Gail Parvin Hammerquist Fund to the CentreVenture Development Corporation.

- The total allocation to the Gail Parvin Hammerquist Fund in 2003 is $173,476.

REASON FOR THE REPORT:
This Report recommends a reallocation from the Gail Parvin Hammerquist Fund as a grant to the CentreVenture Development Corporation as well as an amendment to the Gail Parvin Hammerquist By-law No. 7633/2000. Both recommendations require Council approval.

HISTORY:
On April 30, 1997, Council established the Gail Parvin Hammerquist By-law No. 7040/97 to encourage greater investment in the retention, improvement, and use of designated structures. Financing is provided by an annual allocation based upon 5% of gross city land sales.

DISCUSSION:
Since Council created CentreVenture in 1999, the City has split the annual allocation of funding from the Gail Parvin Hammerquist Fund between the CentreVenture Downtown Heritage Program and a city-wide Program administered by the Historical Buildings Committee. Funding has been allocated as follows:

Year	Gail Parvin Allocation	CentreVenture Program	City-wide Program
2000	$600,000	$500,000	$100,000
2001	$383,423	$300,000	$ 83,423
2002	$162,183	$162,183	$ 0
Total	$1,145,606	$962,183	$183,423

CentreVenture has successfully utilized these heritage funds to lever significant private investment in heritage structures within the downtown and more specifically, within the Exchange District. CentreVenture has partnered with private developers and heritage building owners to undertake architectural adaptive re-use feasibility and engineering studies. The funds also assist in the marketing and sale of city-owned heritage buildings that have been optioned to CentreVenture through the CentreVenture Asset Agreement.

Based upon a review of the priority needs for the heritage programs within the City, the administration recommends the following allocation of funds for the 2003 Program Year:

Gail Parvin Allocation	CentreVenture	City-wide Program
$173,476	$113,476	$60,000

Due to the relatively small amount of funding available within the Gail Parvin Hammerquist Fund this year, the administration recommends that the CentreVenture allocation be made in the form of a Grant rather than as an allocation towards their CentreVenture Downtown Heritage Program. The CentreVenture Downtown Heritage Program required annual approval of the Program criteria and procedures from the Executive Policy Committee. CentreVenture can act

more strategically if they are provided the flexibility to allocate funds from this grant based upon the merit of the individual business case.

This recommendation effectively approves funding from the Gail Parvin Hammerquist Fund and reallocates it to CentreVenture by way of a grant under section 218 of the new City Charter. The administration further recommend that Council authorize the Chief Administrative Officer to approve the final terms and conditions of an agreement to be entered into between CentreVenture and the City with respect to the grant.

The $60,000 City-wide Program allocation will be utilized to fund the research, preparation, and production of heritage displays, Powerpoint presentations, and brochures of the Exchange District. These marketing tools will be used extensively in 2003 for the various Conferences that Winnipeg will be hosting (i.e. Federation of Canadian Municipalities and the Canadian Association for Municipal Administrators). Winnipeg is also hosting a Workshop for Heritage Experts from across North America in the spring, as well as a Parks Canada National Managers meeting and a Heritage Canada AGM in the summer of 2003. In addition, the marketing tools will be used to support the City's submission for the Exchange District to be recognized as a World Heritage Site.

Since the City-Wide Heritage Program does not involve an outside non-profit organization, the allocation of $60,000 must be administered in accordance with The Gail Parvin Hammerquist Fund By-law No. 7633/2000. Therefore, the Criteria must be expanded to allow the City-Wide Heritage Program to utilize the funds allocated in the manner requested.

Financial Impact Statement

Date: 17-Mar-03

COMMENTS:

Since the allocation of Gail Parvin Hammerquist funds was already accounted for in the 2002 operations of the Land Operating Reserve and the Gail Parvin Hammerquist Fund, the more specific allocation of these funds as recommended in this report involves no further financial impact to the City.
