Moved by His Worship Mayor Katz,

WHEREAS crime reduction is a top priority for City Council and the citizens of Winnipeg;

AND WHEREAS gang activity across Canada has become increasingly more prevalent and organized in recent years, leading to increased instances of significant violent crime;

AND WHEREAS the Winnipeg Police Service has implemented various initiatives to combat violent crime and make Winnipeg a safer place, including:

- a successful auto theft strategy, which has seen a 74% reduction in auto theft since its implementation in 2004
- a police helicopter, which tool has proven to significantly reduce crime in other jurisdictions including Edmonton and Calgary
- the City's first full time Tactical Unit, a SWAT team to respond to high risk situations
- a cadet program, which frees up police officers to respond to serious crimes by utilizing cadets for minor issues such as directing traffic
- a strategy to suppress violent gang activity, involving the intense supervision of gang members released under court orders;

AND WHEREAS it is important that City Council and the Winnipeg Police Service continue to build on these successful initiatives, to ensure that Winnipeg has additional police officers to combat violent and gang related crime, through initiatives that may include more officers for the gang suppression unit, additional foot patrols in high risk areas, and additional shifts for cruiser cars;
